Transportation Release Form Request for Student-Athlete Parent to Transport

School District Administrative Procedure states: "It is expected that all student-athletes will use transportation provided by the school district to travel to and from athletic contests. There are several reasons for this procedure but foremost are safety, security and legal liability. The school district realizes that there are exceptions **or** extenuating circumstances that may be approved by the assistant principal/athletic director. Therefore, all students wishing to ride home with a parent or guardian must submit a transportation release form request to the assistant principal/athletic director. **Requests must be made no later than the day prior to the competition in which the student-athlete is requesting to travel home with only a parent or guardian.** Forms are available at the high school office.
