F.S. 1003.42(2)(n)1.g. Required Instruction

6A-1.094124- Child Trafficking Prevention Education.

- (a) It is the intent of the State Board of Education that every school in Florida be a "Child Trafficking Free Zone."
- (b) School districts must annually provide instruction to students in grades K-12 related to child trafficking prevention and awareness.
- (c) Using the health education standards adopted in Rule 6A-1.09401, F.A.C., Student Performance Standards, the instruction for child trafficking prevention will advance each year through developmentally appropriate instruction and skill building.
- (d) Age-appropriate elements of effective and evidence-based programs and instruction to students in grades K-12 related to child trafficking prevention and awareness and must address, at a minimum, the following topics:
1. Recognition of signs of human trafficking;
  2. Awareness of resources, including national, state and local resources;
  3. Prevention of the abuse of and addiction to alcohol, nicotine, and drugs;
  4. Information on the prevalence, nature, and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance; and
  5. Information on how social media and mobile device applications are used for human trafficking.
- (e) In order to assist with instruction, the department will maintain a human trafficking webpage, located at <http://www.fldoe.org/schools/healthy-schools/human-trafficking.stml>, with information about the education described in this rule; resources on abuse, including sexual abuse, and human trafficking prevention for professional learning purposes; and materials for parents, guardians, and other caretakers of students.

**Rationale for delivering the instruction in the courses and grades selected above \***

Wakulla County Schools provides child trafficking prevention and awareness, as well as the prevention of the abuse of and addiction to alcohol, nicotine, and drugs to students in grades K–12 through the use of the Monique Burr Foundation Curriculum and Resources. In grades K–5 this is part of the comprehensive health and guidance education delivered through direct instruction during imbedded health and SEL instruction in the classroom. Instruction in grades 6–8 and grades 9–12 is provided through core courses throughout the year. Additionally, instruction is supplemented with Community-based experts and school-based mental and physical health support personnel.
