NEW Digital Report Card Access

Report cards will only be available online through PowerSchool for Martin Meylin Middle School and Lampeter-Strasburg High School. Report cards for Semester 1 will be available beginning January 26. To access the current report card, follow the steps below:

1. Log into the District PowerSchool server at <https://powerschool.l-spioneers.org/public> through a web browser. At this time the mobile app **will not** display report cards.
2. After selecting your child, choose Report Card from the left hand side of the screen.

The screenshot shows the PowerSchool SIS interface. At the top, there is a navigation bar with 'Home', 'Enroll', 'Reports', 'Enrollment', and 'History'. The 'Reports' tab is selected and circled in red, with a yellow callout box labeled '1 select your student' pointing to it. Below the navigation bar, the school name 'Lampeter-Strasburg High School' and 'Lampeter-Strasburg School District' are displayed. To the right, the 'Report Card' section shows 'School Year' as '2022-2023'. A yellow callout box labeled 'select report card' points to the 'Report Card' icon in the left-hand navigation menu, which is also circled in red with a yellow callout box labeled '2'. The main content area displays 'Student Information' and a table of course grades.
