

Dear Friends and Neighbors,

Lac qui Parle Valley, Appleton-Milan Elementary and Madison-Marietta-Nassau Elementary Schools, are dedicated to preparing quality, affordable meals for all students. School meals help students sustain the energy they need to be successful in the classroom.

Though nothing should stand in the way of a child's access to a nutritious meal, many families are experiencing financial difficulties and cannot afford to keep money in their student's school lunch account. That is why Lac qui Parle Valley Schools has created an Angel Food Fund.

Families and community members are invited to donate to the Angel Food Fund to help a student in need to pay for a school meal.
