Students cannot stay on school grounds unsupervised or go over to the Marshall school grounds. ## **KINDERGARTEN ENROLLMENT 2023-2024 SCHOOL YEAR**

### **School District Residents**

If you have a child turning 5 (five) years old prior to September 1, 2023 and they are not currently enrolled in a School District of Janesville Pre-school for Janesville (P4J) or Early Childhood (EC) program it is time to enroll in the Janesville Public School District. Enrollment will take place **from December 1, 2022, through December 15, 2022**, at the Educational Services Center located at 527 S. Franklin St. (administration building) in the New Student Enrollment office **by appointment only. Please call (608) 743-5011**. If you cannot attend during the enrollment period please make an appointment as soon as possible to enroll after December 15, 2022.

Enrollment in the district is required for participation in orientation. When you enroll, you will need your child's birth certificate, proof of residency (Utility bill, current term lease, or government issued statement), immunization records and photo identification.

The window for Requests for School Transfer/Placement within the School District (yellow forms) for incoming kindergarten students are available from December 1, 2022, through December 15, 2022, and should be submitted during the enrollment process. Forms are available at the schools for current students requesting a transfer. Current proof of residence and a photo ID are required when submitting a transfer request.

If you have questions regarding this process contact Deen Hartley at 743-5152. The status of requests will be determined by January 15, 2023 if they are turned in by December 15<sup>th</sup>. If you have a student currently attending a school under a School Transfer/Placement within the School District, it does not automatically qualify your kindergarten student for attendance at the same school; however, siblings are generally assigned to the same school. In order for your kindergarten student to attend the same school as a sibling, you must submit a request during the Kindergarten Enrollment time frame.

**If you know of a child in your neighborhood or from community activities that would be entering kindergarten for the 2023-2024 school year, please pass this enrollment information on.**

## **Non-District Residents**

If you are a non-resident of the School District of Janesville and have a child turning 5 (five) years old prior to September 1, 2023 and would like your child to attend the School District of Janesville you must also apply for **OPEN ENROLLMENT**. The timeline for Open Enrollment is February 6, 2023, to April 28, 2023. Currently open enrolled non-residents in a P4J or EC program do not need to re-apply. If you have questions regarding the Open Enrollment process, please contact Deen Hartley at 743-5152.
