Information Items

Discussion Items

- A. School Year Calendar

Teachers like two or three. Majority of the parents choose option 2. Our recommendation is two. Aliska prefers three.

Three gives five contract days in the beginning, which teachers prefer. Would rather start school year earlier and get out earlier.

Option 2: Tim / Aileen

Option 3: Five of us

James opted out of voting

Voting Items

- A. Approval of minutes from last meeting: Aileen requested clarifications. Aileen motions to approve with certain corrections. Tim seconds. Unanimous.
