## Community Resource Guide

Stoughton's Community Resource Guide was developed to assist and provide community members with available programs and services. The community guide can be found below.

## High School Pickup Guidelines

Reminder: **Parents and taxis are not allowed to park in the bus loading zone, including lining up behind the buses.**

When parents block this access for buses, this prevents all buses from entering and leaving the parking lot, and has made for a few near-contact situations as buses or vehicles try to leave.

Buses have a lot of blind spots, especially near the bus. Having smaller vehicles in the same vicinity of the buses during pickup is a safety hazard.

**Do not pull in directly behind the buses in the front lot. Utilize visitor parking, or meet your student on Lincoln Street.**
