Dear Parents/Guardians:

In our continuing effort to encourage and reinforce communication between parents/guardians and the school, the faculty and administration of Sayreville War Memorial High School have scheduled a series of parent-teacher conferences. Faculty members will be available to discuss your child's progress in individual courses. The conferences will be held virtually this year. The following scheduled sessions will take place in an effort to accommodate as many parents/guardians as possible:

- \* **Tuesday 1/17- 6:00PM-8:00PM**
- \* **Wednesday 1/18- Afternoon**
- \* **Thursday 1/19- Afternoon**
- \* **Friday 1/20- Afternoon**

**\*All afternoon conferences will be scheduled based on individual teacher between 1PM and 5PM.**

**Our teachers will begin emailing the parents of their students the links to sign up for their conference and post those links on their teacher website the week prior to conferences. Conferences with individual teachers are suggested to be no longer than ten minutes in length. In the event more time is necessary, please arrange future meeting times with the teacher. It is encouraged that conferences are for the parents only.

Please make every attempt to arrive within the timeframe that you schedule, so that each session can conclude in a timely fashion.

Thank you once again for the role you play in your child's success. When we work together in the best interest of our children, we all move in a positive direction.

Sincerely,

Principal
