District Educational Focus Areas

- Maintaining Appropriate Class Sizes
- Further Engagement in the Pathways Program and Efforts that Connect our Schools with Community Businesses and Organizations
- Continue Offering a Robust Educational Experience for all Students Focusing on the Whole Child
- Provide Ongoing Intervention and Tiered Support for all Students

East Lyme Public Schools Superintendent's Proposed Budget

2023-2024 East Lyme Public Schools Preliminary Superintendent's Proposed Budget

2023-2024 Department Budget Request	\$ 59,681,702
Preliminary Reductions	
Salaries and Benefits	\$ (1,087,425)
School/Department Reductions	\$ (716,525)
Total Preliminary Reductions	\$ (1,803,950)
2023-2024 Preliminary Superintendent's Proposed Budget	\$ 57,877,752
Percent Variance over Prior Year	6.97%

2023-2024 Major Budget Drivers

The major budget drivers listed below make up 98.10% or \$3,697,608 of the proposed budget increase of \$3,769,274

Salaries

31.70% or \$1,194,791 of Budget Increase

- The increase in salaries is due to contractual increases and the increase in minimum wage
- Contractual increases averaged 2.50%
- In addition, a collective bargaining agreement settled after the finalization of the 2022-2023 budget
- As a result of the increase in CT minimum wage, the increase in wages were higher than the estimate included in the 2022-2023 budget

Benefits

47.13% or \$1,776,396 of Budget Increase

- The increase in benefits is primarily due to the increase in estimated increase in health insurance premiums of 12%
- Additionally, unanticipated changes in employee plans in 2022-2023 (i.e. 2 person to family) increased 2022-2023 health insurance expenditures

Operating Expenses

19.27% or \$726,421 of Budget Increase

- Operating expenses includes, utilities, plant operations and contracted services
- Increases in energy costs (electricity, natural gas, heating oil, and fuel) account for most of the increase in operating expenses (\$390,760)
- Increases in plant operations such as repairs and maintenance, projects and increases in contract costs due to inflation make up a majority of the remaining increase

IMPACT OF INFLATION ON 2023-2024 SUPERINTENDENT'S PROPOSED BUDGET

Impact of Inflation on 2023-2024 Superintendent's Proposed Budget	\$917,965
Assumption of a 6% Increase in Health Insurance	\$420,000
Assumption of a 7.5% Increase due to Inflation	\$248,965
Impact of Minimum Wage Increase	\$249,000
Superintendent's Proposed Budget less Impact of Inflation	5.27%

East Lyme Public Schools 2023-2024 Fixed Expenses

2023-2024 East Lyme Public Schools Preliminary Budget Summary

2022-2023 Grant Funded
Positions FTE

8.50

2023-2024 Preliminary
FTE Reductions

18.50

2023-2024 East Lyme Public Schools Salaries and Benefits Reductions

POSITION	AMOUNT
1.70 FTE – Coastal Program	\$ 139,900

	Total		224	0	33	14		

Reduction Impacts

Culture and Climate:

- Reduction in staff will impact programs, climate, and culture in a post-pandemic era
- Any further reductions in staff members would have a significantly greater impact on our work with students

Academic:

- Our schools continue to address pandemic learning loss. Reduction in positions and programs will hamper ongoing recovery efforts
- Reduction in support results in less intervention for students through tiered services. Currently, there are 296 students who are receiving intervention services across our district

Reduction Impacts After Adjustments Continued

Technology:

- Reduction in positions is going to impact the integration of technology in instructional delivery across classrooms
- This remains challenging and will affect progress given we have provided devices to all students

Social and Emotional Growth:

- Reductions in staffing support means the three-year impact of the pandemic and COVID could be present for a longer duration
- Student mental health and social/emotional needs continue to require great attention

Social and Emotional & Mental Health Crisis Data

2022-2023 Data (as of December):

- *MS Crisis Data* – 61 incidents
- *HS Crisis Data* - 72 incidents

2021-2022 Data:

- 124 referrals to special education. 83 students qualified for services

Social Emotional Learning continues to be a priority and is supported by ongoing access to professional learning as well as universal screening 3x per year for all students

Budget Impacts, Concerns, Ongoing Needs

- **Any and all staffing reductions are impactful. We attempted to focus on what would be least impactful to our schools and programs at this time**
- **It remains essential that no further staffing reductions or program impacts occur across our district beyond what has been proposed. Further decreases will only impact students, staff, and climate in a significantly negative manner**
- **Health insurance costs and inflation have added \$917,965 in cost to next year's budget**

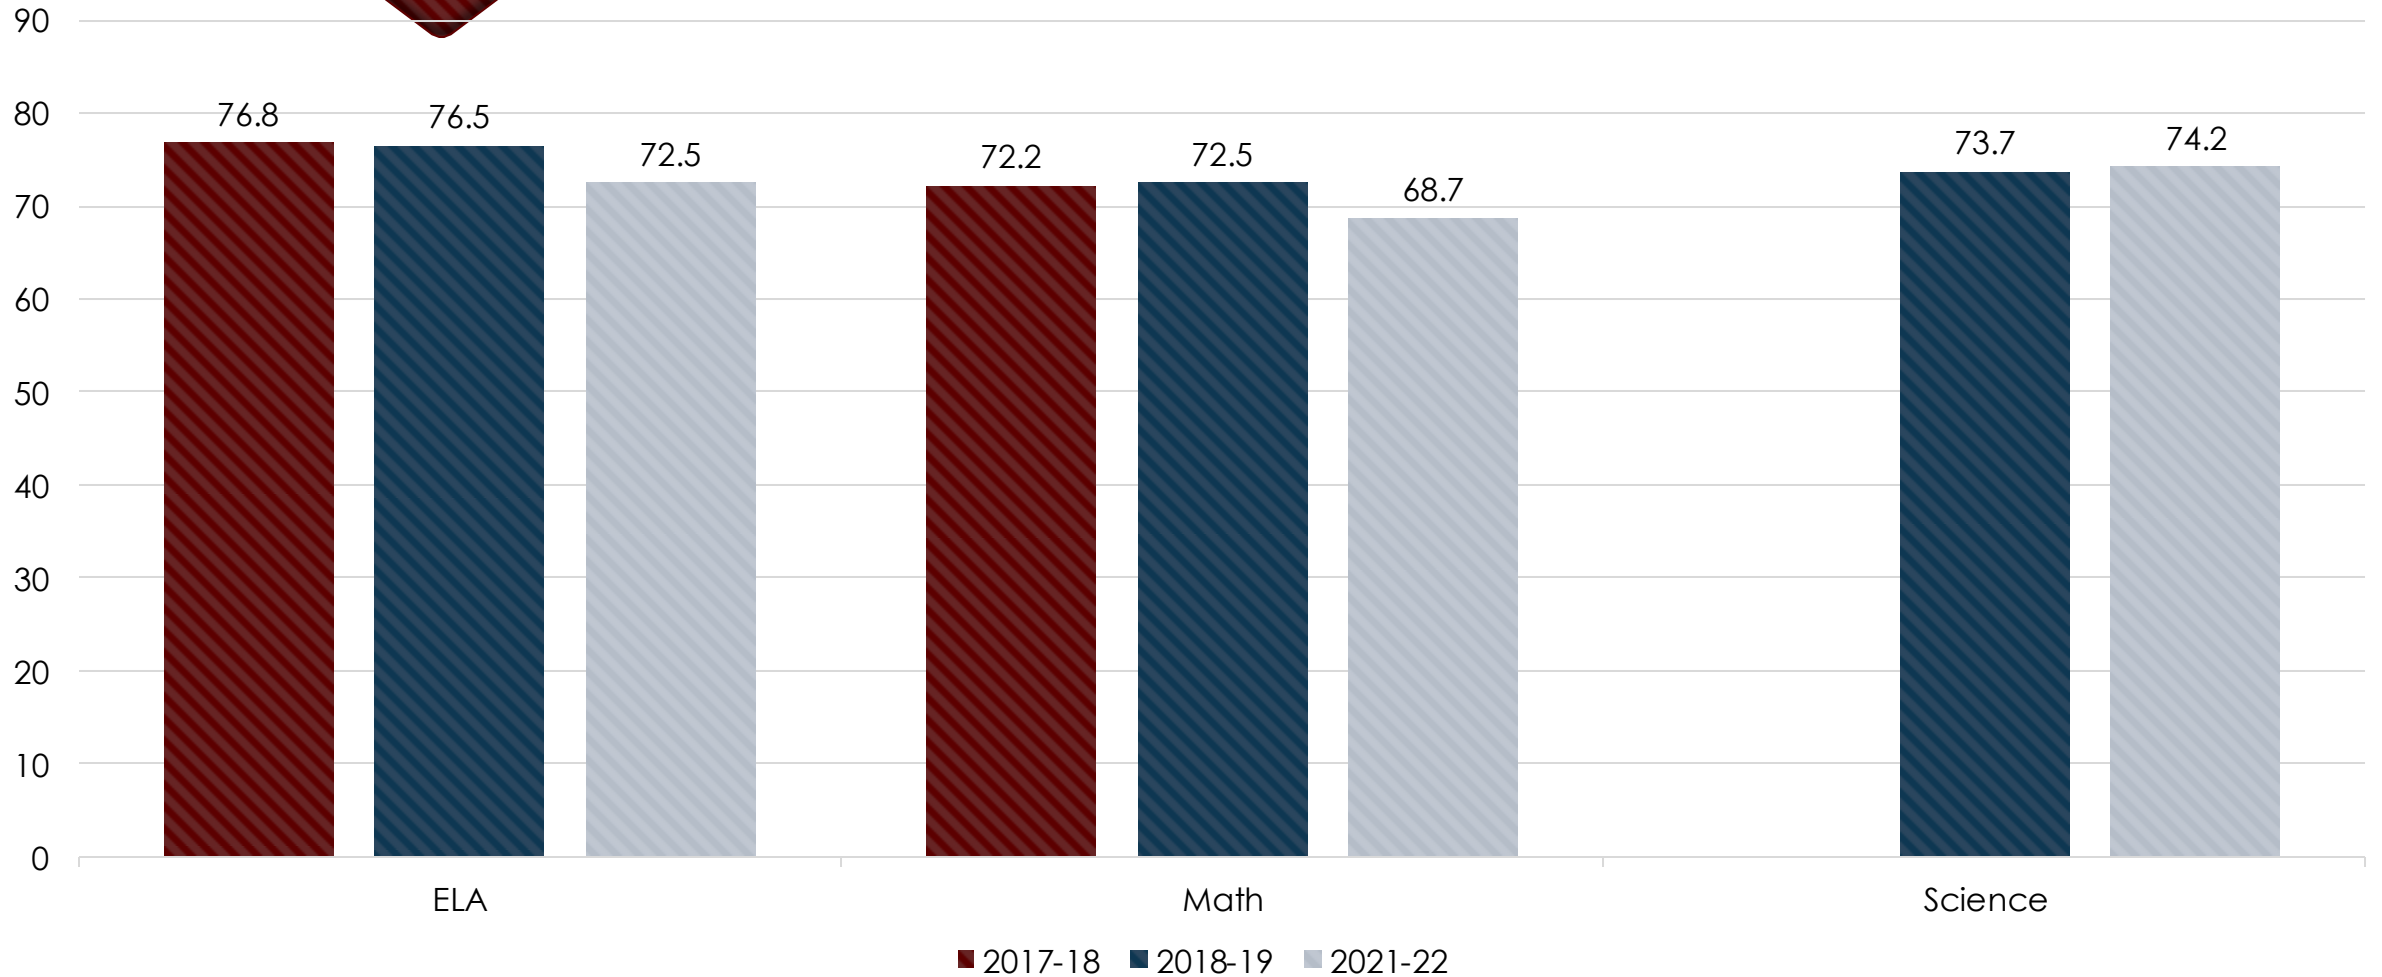

East Lyme Public Schools

Summative Academic Data Analysis

- We have experienced learning loss in East Lyme Public Schools just as many of the other districts have across the state
- Our Student-Centered Coaching model has supported growth in key areas
- Overall, East Lyme Public Schools leads the DRG in many of the assessment categories at all levels
- Patterns of assessment data in Grade 5 indicate the need to investigate further
- A focus on mental health, relationship building, and school connectedness will be important in supporting students' return to the post-pandemic environment
- There are achievement gaps that need to be addressed across all grade levels
- East Lyme Public Schools continues to demonstrate a significant strength in science across all grade levels
