

DID YOU KNOW?

Rabun County Schools RCHS CTAE Program

Our Career, Technical, and Agricultural Education Program at RCHS is flourishing. We currently offer 12 pathways through 5 departments which help to prepare our students for the workforce after graduation.

AGRICULTURE

Currently offers 6 pathways:

- Agriscience
- Agricultural Mechanics
- Metal Fabrication
- Food Animal
- Animal Mechanical
- Plant Mechanical

Some classes begin at the new farm in January.

Teachers: Clay Brown and James Hale

AUDIO VIDEO TECHNOLOGY & FILM

Currently offers 2 pathways:

- Audio Video Technology and Film I
- Audio Video Technology and Film II

Students have opportunities to run the jumbotron and film school events, produce Wildcat TV, and film commercials for local businesses.

Teacher: Kyle Rolader

ALLIED HEALTH AND MEDICINE

Healthcare science is an industry-certified program. Students can earn certifications in HIPAA, CPR, Stop the Bleed, Be There (mental health), phlebotomy tech, and ECG tech. Students also have access to a state-of-the-art lab.

Teacher: Alicia McCracken

BUSINESS EDUCATION

Currently offers 2 pathways:

- Business & Technology
- Business Accounting

Students become certified in Microsoft Office, operate the school store, and coordinate Cat Cards along with various community service activities.

Teacher: Allison Taylor

ENGINEERING, TECHNOLOGY & MANUFACTURING

Students in these pathways have worked on school projects such as the RCHS teacher's lounge, the nurse's desk at RCES, the garden beds at RCPS, stools for the 3rd-grade classrooms, ukulele cart at RCES, trophies for cross country, and plaques for Georgia Engineering Teachers Education Association.

Teacher: Brent Hinkel

WORK BASED LEARNING

There are currently 60 students participating in work based learning opportunities throughout the community.

Coordinator: Tammie West
