

## NCA Grade Level Capacity

Grade Capacity\* for each grade level is the number of students that may be taught at any given time based upon the total teacher capacity to teach a number of students based on their experience level and class size amendment limits.

For the purposes of determining "Available Capacity": YES = grades with total enrollment projections less than 95% of Grade Capacity and NO = grades with total enrollment projections greater than 95% of Grade Capacity. However, applications will be accepted for all of the grades listed below due to the potential of enrollment fluctuations and the ability to accommodate individual grade level requests, subject to class size requirements.
