Dear Parents and/or Guardians:

Kindergarten registration for the 2023-2024 school year is quickly approaching . All children who will be five years of age on or before September 1, 2023, are eligible to enter kindergarten in the Lampeter-Strasburg School District. Below you will find important dates and information regarding the registration process.

*If you do not plan to enroll your child in Lampeter-Strasburg's 2023-2024 kindergarten class, please call 717-464-3311, extension 1027, or email: tanya_groff@l-spioneers.org before March 1, 2023. It is important that we account for every kindergarten-age student on our current census list.

Online Kindergarten Registration will open Wednesday, February 1st, 2023. The registration process consists of two steps: the completion of a preliminary registration form, **and** the completion of a full registration packet. Once your preliminary registration has been received and processed, you will receive a separate email with next steps for completing the full registration. All parts of registration and additional information can be found by visiting:

www.l-spioneers.org/Departments/Enrollment/Kindergarten-Registration/

Additional information, such as a parent orientation video and a readiness checklist, can be found on the Transition to Kindergarten portion of the Lampeter Elementary webpage.

Please plan to attend our Kindergarten Expo Tuesday, March 14th anytime between 5 and 7pm. There will be opportunities to gather information about the registration process, collect helpful resources, ask questions, and meet our staff. This event is for adults only, children do not need to attend.

I look forward to working with you and your child as you prepare for kindergarten. Should you have any questions or concerns along the way, please feel free to contact me at Lauren_Menapace@L-SPioneers.org or 717-464-3311 extension 5018.

Sincerely,

Lauren E. Menapace
