Greetings Parents and Guardians,

Preparations are underway for the Sophomore Minimester excursion! This year, we will travel to Atlanta, Georgia, May 15 - 19, 2023. The focus of our trip will be civil and human rights. While in Atlanta, we will visit The Center for Civil & Human Rights, The Martin Luther King, Jr. National Historic Site, the King Center, and the Museum of History and Holocaust Education. In addition, we will visit several colleges where students can talk to admissions officers and tour the campuses. We will also explore the Atlanta Aquarium and the World of Coca-Cola during our stay, and each evening, students will have the opportunity to participate in various activities.

The cost of the trip is \$400 and includes transportation, hotel accommodations, all activities, and daily breakfast. A non-refundable deposit of \$125 is due by Friday, January 27, 2023. If your family needs assistance in covering costs, information on applying for aid will be forthcoming. However, all students attending the trip must pay the initial deposit. Make all payments online through the portal. The link will be provided on our website and given to students on January 13, 2023.

As plans are finalized, we will send forms and any additional information about the trip. This is an excellent opportunity for your child to participate in experiential learning, visit universities outside of Virginia and make lasting memories. If you have any questions, please feel free to contact me at (804) 780-4332.
