Summer Georgia Readers Starts on May 3 for

Get Georgia Reading partner Renaissance is again delivering thousands of free books—plus engaging daily news articles—to computer and mobile devices. Young readers can search from several different categories and genres, including books for struggling readers and Spanish and bilingual titles.

We're challenging Georgians to read for 1.5 million minutes from May 3 – July 31.

Families in Georgia can register to join Renaissance myON's **digital reading platform** beginning on May 3 and already have access to **Get Georgia Reading at Home**, a comprehensive online catalog that offers early learning resources for children from birth through age 5 and helps develop skills for students in grades K – 3.
