

Third Grade

Third grade is a crucial learning period for our students as they transition from primary into the intermediate grades. They progress from practicing basic skills to mastering them. The teachers work with students to assist them in becoming more advanced readers, writers, mathematicians and critical thinkers, digging deeper into topics and analyzing what they learn.

3rd Grade Activities

- Hands on interactive lessons, such as the mobile tide pool with live sea creatures and growing plants
- STEAM—electrical boards, legos, vex robotics, and art instruction
- Technology—1:2 Chromebook Access, Coding, Newsela, Xtramath, Accelerated Reader
- Ancestry Project
- Fresno Zoo field trip, including feeding giraffes
- Nutcracker field trip
- Extra-curricular opportunities: Battle of the Books, Speech Meet, Math Olympics, Spelling Bee, Art Festival

Curriculum

3rd Grade Subject	Publication
Bible	Positive Action
Math	BJU Press
Language / Writing	BJU Press and Sopris Press
Reading	BJU Press, Accelerated Reader and Newsela
