

The image shows the exterior of Kirkland Middle School (KiMS) at dusk. The building features a prominent curved section with blue vertical siding and large windows that are illuminated from within, casting a warm yellow glow. To the left, a portion of the building is constructed from grey stone. In the foreground, there are some red-leafed plants and a paved area. A semi-transparent white rectangular box with a thin black border is centered over the image, containing the text "Welcome to Kirkland Middle School (KiMS)!".
