Student/Guardian & Parent Chromebook Usage Agreement

We understand that students and parents share the responsibility to care for the Chromebook, an educational tool, issued by the Belgrade School District (BSD44). We understand and agree to the rules listed below and all enclosed usage guidelines included in the Student/Parent Usage Guidelines. In the event of a damaged or stolen Chromebook, it is the student/parents' responsibility to pay the cost of repair or replacement of the device.

Once a school owned device has been reported as lost or stolen the device will be rendered inoperable by Chromebook. This means that the device is deactivated and will no longer function. Textbooks will be provided to students in the event that the Chromebook is lost, stolen or damaged.

1. I understand that a Chromebook assigned to me remains the property of BSD44; therefore, my device may be confiscated and is subject to inspection at any time without notice.

3. I will use my Chromebook as an educational tool and in an appropriate manner.
4. I will protect my Chromebook from damage.
5. I will not disassemble any part of my Chromebook or attempt any repairs, and I will keep food and beverages away from my device.

7. I will not place decorations (such as stickers, markers, etc.) or deface the serial number or BSD44 label on my Chromebook.
8. I will follow the policies outlined in the Student Chromebook Usage Guide at all times.
