

SCC Notes for October 28, 2022

Attendees: Paul Schulte, Frances Battle, Lamar Spotted Elk, Julia Waldroup, Camala Richards, Rielly Butler, Alexander Hyres, Hope Jenkinson, Willow Amendola-Francis, and Kelli Neuteboom

Discussion:

- Introductions
- September Minutes- were received by all and approved
- Paul Schulte- Explanation of the inquiries about the rebuilding/refurbishing Highland and West High/ Q&A, including whether any rebuilding or refurbishing would include upgrading safety- yes, safety upgrades have already been started
- MTSS- results from Safe-UT: (Data will be sent out with the minutes) our #1 issue is based around suicidal ideation, #2- vaping, #3- other mental health concerns... We will be starting some social groups and other things/ School MTSS group includes Willow, Camala, Jen Johnson, Andrea Gardner , Wendy Sears, and Kelli/ Safe-UT's busiest hours are between 10pm and 4am.
- Land Trust- Budget- \$43,197, targeted at hiring a computer lab para, which we are offering full-time and benefits for this year, and for math supplies
- Enrollment numbers are up this year and our EE classes need more paras as many are short staffed, we can hire 3, and if they are highly qualified, they can be hired for 40 hours a week/SpEd is having trouble hiring paras as well as teachers, the district currently has 15 unfilled teacher jobs
- School Report Card- We received a C but were only 4 points off from a B/Were exemplary in improvement/math definitely needs to improve but reading also needs attention/ some teachers are offering after-school tutoring for those subjects/ELLs are presently at typical which is an improvement
- Attendance- now that the moratorium is lifted, letters are going out to those who are not attending school enough as well as other interventions
- Crossing guards- St. Govt. students are doing the crossing guard jobs/some people, especially parents are crossing wherever they want, and several have been quite inappropriately rude to the kids/Fran will consult Paul Schulte on ideas for improving our crosswalk areas, etc.
- Halloween Parade- Monday, October 31st, 9:40 am

Next Meetings: Tentatively- Wednesday, Nov. 16th, 4:00pm & Thursday, Dec. 22nd,
