

COMING SOON

We are excited to hopefully be adding more classes for students including:

Musical Jam Sessions with Saul Kaye for 5th—8th grade students proficient in an instrument.

Lego Robotics for elementary. Students can learn and compete in teams. Led by parent volunteers.

Update on Coding: Both Girls Who Code and Code Monkey will be taking a break this term but we hope to offer an alternative in the near future.

Gesher After School Spring 2023 Chugim

Registration Open

800 Foster City Boulevard, Building 830
Foster City, CA 94404
650.378.2600
info@wornickjds.org

Dear Parents,

We are happy to present our Spring 2023 “Chugim” program to augment your students’ experience at Wornick. The Chugim, or “games” in Hebrew, are enrichment options in addition to our regular Geshher (“bridge”) program, including several new classes. If you have any questions about these programs or want to help volunteer, or even lead an additional class, please email Esther at egillette@wornickjds.org.

Please email Geshher@wornickjds.org for any questions regarding Geshher.

As always, we look forward to an engaging time with your students and seeing you soon!

How to Register for Chugim:

Please register for chugim at:

<https://tinyurl.com/springchugim>

also conveniently listed in the *Wornick Weekly*. Payment will conveniently be billed via FACTS.

Key Things to Know:

There are no chugim on holidays, minimum days, or during Parent/Teacher Conferences. Class days are listed per class. No refunds will be given after the first class, unless the course is canceled. If a particular class does not meet the minimum number of students it will be canceled and you will be notified. If a particular class is canceled for any reason, we will attempt to arrange a make up class, but we cannot guarantee this, based on instructor time and school schedule.

Keep in mind:

Time spent in Gesher before chugim is provided free as a service to our families. Time spent in Gesher after chugim is billed at the standard drop-in rate, unless your child is contracted to be in Gesher that day.

If your child is already contracted for Gesher, you may only alter your contract once per year. There are no in/out privileges once a monthly rate is established. The monthly rate for Gesher care, which includes time for conferences, may still be beneficial for your family. Please make sure to examine your family schedules and estimated pick up times. If you are billed at the Drop-In Gesher rate, you will be billed at the non-contract rate for the time spent in Gesher **after** the chug is finished for the day.

TK-5 Pickup:

You may use the token given to you to enter the gate and pick up your student(s) from Gesher or a chug/afterschool activity. You will be able to find TK-5 students at the end of an activity at the blue picnic tables. If after the majority of the students attending are picked up, remaining students will be cared for in Gesher. You may then pick them up either at the play structure, in the room adjacent to the structure during inclement weather, or in the tent on the Shalom Field adjacent to the building. Please be sure to sign out your student on the portal or they may be logged in for the full afternoon until 6pm.

Middle School Pickup:

Middle school students may be dismissed to depart campus after their activity. Please make sure to discuss a plan with them regarding pick up times and locations. Middle school students are not permitted to depart campus between school and any chugim.

Volleyball Clinic

What: In this activity, interested volleyball players and team members can practice their volleyball skills with Coaches Annie O'Donnell and Nicole Haire. Students will learn and hone their serving, setting, and passing skills. Shorts and tennis shoes required. Knee pads are optional. Current and aspiring team members are welcome to join!

Chess Club with Marshal Yanowitz

What: We are giving an opportunity for older students to try their hand at chess this next term. Before most children learned how to read, instructor, graduate of Yale, Purdue, and the Grove School of Music, owner of Smart Hands & Minds, Marshal Yanowitz studied the nuances of chess with an international grandmaster, including everything from the English and Nimzo-Indian openings to middle and end game strategies. Marshal enjoys watching beginners learn the foundations and strategies of chess while developing a passion for the game and cultivating valuable life skills. He believes the art of chess can be applied to many aspects of life beyond the board.
