

Dear Parent/Guardian,

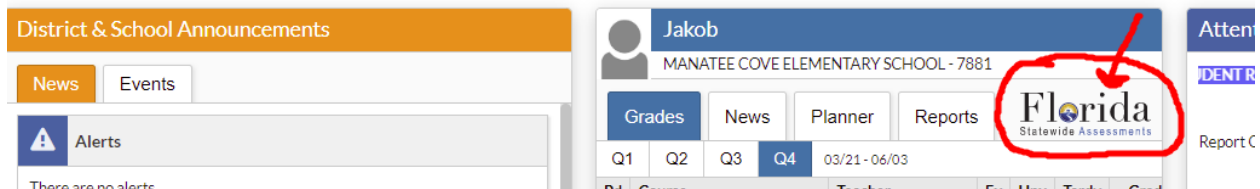

FAST PM2 scores for **Grades K-2** will be sent home by your child's teacher. You will receive a Parent/Family report with the score information.

FAST PM2 scores for **Grades 3-10** will be available on the Student and Parent Portals in FOCUS and on the FOCUS Community App. Once your student takes the assessment the score will be available to you. If your student participated in FAST PM1 those results are there for you to see now.

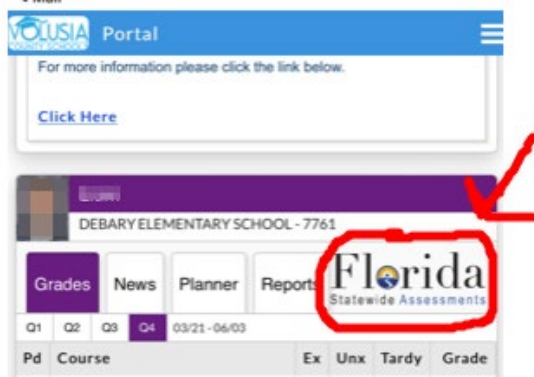

For Grades 3-10 you will see the scale score, achievement level, and a bar graph indicating the student's scale score and where it falls in the achievement level. Individual Student Reports will be posted in late February that will also show the percentile rank.

You will access the scores by logging into the Student Portal or Parent Portal in FOCUS or the FOCUS Community App and clicking on **Florida Statewide Assessments** as shown in the pictures below:
