

100 CHURCH STREET/SOFTBALL FIELD

CONSTRUCTION UPDATE

OCTOBER 2022

- The Monument Sign including the original brick and limestone sign from the original May Whitney Elementary is installed. Brick washing is next.
- The foundations, slab, rough-in electrical, and masonry of the dugouts have been installed.
- Main underground drain lines of the infield and outfield have been installed.
- A majority of the seed and blanket has been installed along with 20 new spruce trees.
- The site concrete at the back of the base lines and dugouts began the week of October 17.
- Remainder of the fencing began October 20; this includes the perimeter fence and the outfield fence line.
- Infield mix material for the field will be installed Mid-November.
