## Christmas Programs a Hit

Our last three days of school in 2022 featured our students performing in their Christmas programs to packed audiences. The kids did a great job singing their holiday songs to get everyone in the mood for vacation. Special thanks to the teachers for the hard work they put in teaching the songs.

## Learning in the Classroom

The new year is starting off with lots of exciting new learning. In language arts, students are learning how to make long vowels with the "magic" e, exploring suffixes and how those change the meaning of words, and finding those pesky silent letters in English. (e.g., *Gnats* and *lamb*s know how to *knock* with *wrinkled thumbs*.) They are exploring light, shadows, transparency, and reflection in science; and math has them developing number sense by making groups of tens and ones in numbers greater than 20. It's a great start to 2023!

## Inter - District Transfers

If your child is attending Kingsburg Elementary Charter School District Schools on an Inter-District Transfer, please renew your eligibility no later than **February 1, 2023.**

## SAFETY REMINDER

Never leave your car parked in the left lane of the front circle drive.

Hey Rough Riders, don't forget about the 50 Book Log. Complete this to earn a trophy. This is something everyone is capable of earning if you put in the effort!

Mr. Mynderup and the KHS Dickens Carolers performed for Roosevelt students and staff just before Christmas! They were great!

## Start the New Year with STAR Character

Rough Riders have STAR Character! Students are always encouraged to **Stay** safe, **Take** responsibility, **Act** respectfully and be **Ready** to learn. But each month they also have a focus character trait that they learn about. January's character trait is **fairness**. Students who are fair play by the rules, take turns and share, are open-minded, listen to others, don't take advantage of others, and don't blame others carelessly.

## Heavy Rain Ahead

As the storms continue to provide us with much needed water, please drive carefully (especially near schools).
