OUR THANKS

Thank you for serving as a Wakulla County School Volunteer.

You are taking an active role to support and enrich the development of Wakulla's greatest resource—our students.

There is a direct correlation between the positive involvement of parents and community partners and the improved academic performance of students. In Wakulla County we work at the district, school and classroom levels to encourage and support this involvement.

The district's Strategic Plan as well as each school's School Improvement Plan has identified objectives and strategies to engage parents and community members as interactive partners in the educational process. *(These documents are available on the district website at <http://wakulla.schooldesk.net>.)* Our schools are open to and invite this involvement as a vital part of the instruction we offer.

**VOLUNTEER PROGRAM MISSION
STATEMENT**

Wakulla County School Volunteer Program will promote effective partnership between professional educators and citizen volunteers in order to support and improve student performance.

.....

Volunteers work to support the school system and students as they progress toward the accomplishment of the District Purpose and Direction.

DISTRICT PURPOSE

We will provide a rigorous and appropriate education that results in success for all students.

DISTRICT DIRECTION

We are committed to success for student, teachers, staff and our school system.

PROGRAM GOALS

- Provide educational assistance to students.
- Enrich each student's school experience through personal interest and interaction.
- Improve student motivation for learning.
- Stimulate business and community interest, concern, and support for the educational system.
- Provide opportunity for involvement.
- Strengthen school-community relations through direct and positive participation in the schools.

SCHOOL VOLUNTEER CODE OF ETHICS

As members of a group with the purpose of enriching and improving the lives of children, volunteers have a challenging role to play.

Here are some guidelines to help:

Volunteers may work directly or indirectly with students. Volunteers never replace the teacher. Volunteers offer a supplementary service and are there to provide motivation and support for the student.

School staff and teachers will decide the specific tasks that volunteers perform and the information and materials volunteers will need.

Appreciation and respect for each student as a person are critical ingredients in working effectively as a volunteer. Self-worth and self-confidence are building blocks in the learning process.

Teachers are in charge of the instruction and the discipline of each student. The volunteer's job is to guide and encourage the student along the path the teacher has provided. The personal interest volunteers show students may be the catalyst that makes them recognize their own innate ability to improve and achieve.

Volunteers will consider any and all information about the students as privileged, and they will hold it in the strictest confidence.

Volunteers support the basic aims of education by:

- maintaining consistent and regular attendance.
- following all regulations and procedures of the school and the district.
- adhering to school dress code.
- discussing school problems and issues with staff members at appropriate times.
- observing discretion in commenting on school matters.

The commitment that volunteers make to our students is a significant one. As they participate in school activities, volunteers are looked upon as role models. Therefore, it is imperative that volunteers conduct themselves in an appropriate and responsible manner.

20. Booster Club Membership

Schools have a variety of parent organizations that serve to support specific activities such as Band, ROTC, and various sports.

Mentors, volunteer coaches and overnight chaperones are special volunteer classifications, which require additional clearance procedures. These are addressed later in the handbook.

Not all of the above volunteer classifications are available at all schools. Schools determine their volunteer needs and recruit and place volunteers accordingly.

BECOMING A VOLUNTEER

1. Volunteers must register every year. No person will be allowed to volunteer without completing the registration form.
2. Registration may be accomplished either of the following ways:
 - Complete the online registration form that is on the Wakulla County School District website or
 - A computer will be made available to you at your child's school or district office to complete the online form and submit it.
3. Once the Registration Form is completed and submitted Raptor Technologies will check the applicant against the FDLE Sexual Predator/Offender Registry/National Criminal Database. Please see the "Background Checks" section of this handbook for additional information on Background Checks.
4. The volunteer applicant will then receive an email from Raptor Technologies stating if they have been approved or not.
5. The school or organization volunteer coordinator will contact the volunteer to conduct a volunteer orientation and assign volunteer placement and/or responsibilities.

BACKGROUND CHECKS

All school volunteers will be checked annually against the FDLE Sexual Predator/Offender Registry as well as the National Criminal Database to achieve Level I clearance prior to being placed in any volunteer position. Additional screening may occur if deemed necessary.

Level II screening and clearance is required for any person wishing to serve as a mentor, a volunteer coach (athletics, cheerleading) or an overnight chaperone.

The school principal has the right to decline the services of any volunteer at any time if he/she determines that this is in the best interest of students or the educational process.

STRUCTURE OF THE SCHOOL VOLUNTEER PROGRAM

Each school's volunteer program is individualized to meet the specific needs of the students and teachers at that school

Principal Responsibilities:

- Determining and communicating volunteer guidelines that are specific to the school (Ex. Sign-in procedures, use of school equipment, placement of volunteers, etc.)
- Assessing the school's volunteer needs
- Providing support to all persons involved in the school volunteer program
- Selecting a person to serve as a school-based volunteer coordinator to lead the school program
- Assuring that staff are trained and all volunteers receive a volunteer orientation

School-based Volunteer Coordinator Responsibilities:

- Surveying needs of teachers for volunteer assistance
- Recruiting and registering volunteers
- Communicating specific volunteer needs to the district volunteer coordinator
- Orienting and training teachers and volunteers
- Assigning volunteers to specific tasks and teachers with approval of the administration
- Serving as a resource person for volunteers and school staff
- Keeping accurate records of volunteer services and hours
- Disseminating materials to volunteers when needed
- Coordinating school recognition events for volunteers

Sequence of the Volunteer Registration Process:

1. Volunteer submits online registration form.
2. Raptor Technologies reviews the application and checks the volunteer information against the Sexual Predator/Offender database as well as National Criminal Database.
3. Unless disqualifying information is found, the volunteer is approved in the database.
 - a. P r i o r felony charges including battery, drugs, or abuse are scrutinized closely and may result in non-approval, the individual would then receive an email stating that their application has been denied;
 - b. A pattern of offenses that indicate an inability to serve as a positive supervisor of children may also result a denied application also;
 - c. Mentors, volunteer coaches and overnight chaperones have additional requirements and are addressed later in this handbook.
4. The school or organization volunteer coordinator contacts approved volunteers and invites them to a volunteer orientation.
5. The school volunteer coordinator along with the designated administrator conducts the volunteer orientation.
6. Once the volunteer has participated in the volunteer orientation, the volunteer may be assigned to volunteer duties.
7. A volunteer **must** attend an orientation before serving in any capacity.

GENERAL VOLUNTEER PROCEDURES

1. Each school year, all volunteers are required to complete a Volunteer Registration Form. Community Resource Volunteers will provide a picture ID and sign in and out at the school office on the day that they speak.
2. Volunteer athletic coaches are required to complete a volunteer athletic coaching form and have it approved and submitted by the school principal in addition to the volunteer registration form. The school Athletic Director has the volunteer athletic coach forms, once completed the Athletic Director will then send the form to the District Volunteer Coordinator who will then check the status of the application and forward to the Human Resource Department. Human Resource Department will then call and set up an appointment for finger printing with the individual wishing to volunteer coach.
3. Volunteers must always work under the supervision of a district employee and are never to meet a child alone. Note: Those volunteers who have been fingerprinted, received Level II clearance, and have participated in Substitute Teacher training may provide supervision in a classroom for a short period of time at the discretion of the administrator.
4. Volunteers must wear an identification badge from the front office of the school whenever they are serving as a school volunteer or accompanying students on a school activity.
5. If a volunteer is going to be absent for a scheduled activity, or if a community resource volunteer is unable to speak at the agreed upon time, the volunteer should call the school and ask that the teacher and/or student be informed of his or her absence.
6. Volunteers should be prompt; due to scheduling requirements, it is important to make every minute count.
7. Once the volunteer receives his/her assignment from the school volunteer coordinator, the volunteer should meet with the teacher at a time when the teacher does not have students in the classroom. This will provide an opportunity to discuss the assignment, learn about procedures, etc. Volunteers are encouraged to set up additional meetings, if necessary, to get further instructions, discuss any problems, and/or learn about materials.
8. The teacher is in charge of the classroom at all times, and the teacher will provide any discipline that is required.
9. Volunteers are expected to maintain strict confidentiality with information to which they have access while performing their duties. Any question concerning a child's behavior, achievement, and/or needs should be immediately directed to the teacher.
10. If a volunteer has a question about a policy or a procedure, he/she should follow the proper channels within the school, and ask the appropriate person: the teacher, the principal or the school volunteer coordinator. It is usually best to begin with the assigned teacher.
11. Praise and encouragement are the approved methods to demonstrate care and respect for students.
12. Placement of volunteers is at the discretion of the principal and teacher.
13. Volunteers are not to bring other children (not enrolled at the school) to school when they volunteer.
14. Volunteers may not ride regularly scheduled buses to reach their assigned school.
15. Volunteers shall not administer medication to students.

MENTORS, VOLUNTEER COACHES AND OVERNIGHT CHAPERONES

Mentors:

One of the highest needs in the volunteer program is for mentors. Mentors work with a specific student in an ongoing one-on-one capacity. They provide support, encouragement, a listening ear, a positive role model and accountability. Mentoring occurs during the school day at times that are approved and fit in with the school schedule. Examples include, but are not limited to, lunch and field trips. While some tutoring may occur, tutoring is not the main goal or purpose of mentoring.

Level II screening and clearance as well as additional training is required for any person wishing to serve as a mentor.

Volunteer Coaches:

Volunteer Coaches provide a valuable service to the district. They help the middle and high schools offer a wide variety of athletic activities that might otherwise be unavailable. Not all volunteers who work with the different sports are Volunteer Coaches. A Volunteer Coach is a volunteer who has the lone responsibility for a group of students. They may be with the students in locker rooms or traveling to away events/games. They are seen as the authority figure for the team. The students call them "Coach".

The following additional procedures/requirements are in place for Volunteer Coaches:

- 1) When a person checks "volunteer coach" they must contact the Athletic Director or Principal of the school for which the person wishes to coach.
- 2) The volunteer athletic coach form must be approved by the Athletic Director/Principal and forwarded to the District Volunteer Coordinator who will then forward to the Human Resources Department at the District Office. Once this is done, the person who wishing to volunteer coach will be contacted by the Human Resources Department.
- 3) A volunteer MUST have Level II Clearance to serve as a volunteer coach.

Overnight Chaperone:

During the school year out of town events occur and there is a need for an overnight chaperone. We appreciate the commitment of time and energy on the part of our chaperones. Our goal is to provide educational experiences away from school while maintaining a safe environment for our students. Overnight chaperone must have Level II clearance due to the fact that they will be alone with a group of students at different times. Level II clearance requires fingerprinting. The volunteer who wishes to be an overnight chaperone will need to contact the Human Resource Department to make an appointment for fingerprinting. There will be a fee due at the time of fingerprinting. These fingerprints will be good for the next five years. For additional information please contact your child's school or the district office.

CONFIDENTIALITY

A volunteer is subject to Florida Statute 1002.22 which protects the rights of privacy with regard to student information and records. Any information about individual students or groups of students is considered confidential and should not be discussed with anyone other than the student's teacher or principal. This includes general school-related incidents such as misbehavior of students or items concerning academic performance, good or bad.

Volunteers should let the teacher communicate with parents about student performance. Please refer all parent inquiries to school personnel and never discuss student progress or behavior.

SOCIAL NETWORKING

It is a violation of District policy and the Volunteer Guidelines to make disparaging comments about one's colleagues, students, parents and other members of the community that are encountered as a result of your volunteer service. Each volunteer shall keep in confidence personally identifiable information obtained in the course of volunteering. By virtue of your position as a volunteer you are held to a higher standard. Be cautious when posting information utilizing programs such as, Facebook, Twitter, YouTube, Snapchat, blogging, texting, etc.

Avoid:

- Posting student names and photographs
- Discourteous behavior
- Inappropriate language
- Malicious or intentionally false statements about a colleague

USE OF DISTRICT INTERNET RESOURCES

School District internet resources shall not be used for any purpose perceived as a conflict with District interests, normal business activities or operation. Posting of any type of propriety or confidential information is strictly prohibited. Your use of District internet resources, to include postings on social media sites or blogs, must not violate District policy, including the District's prohibition against unlawful harassment and discrimination or State and Federal laws including The Family Educational Rights and Privacy Act [FERPA] or The Health Insurance Portability and Accountability Act [HIPPA] and Florida Statute 1002.22, Education records and reports of K-12 student's rights of parents and students; notification; penalty.

SIGN-IN and SIGN-OUT INFORMATION

Each time a volunteer enters a school or arrives at an activity to volunteer, she or he must sign in, wear a nametag and sign out when she or he is ready to leave the school or activity. This requirement is necessary for the following reasons:

1. Safeguarding our students and maintaining campus security is of the utmost importance.
2. In case of an emergency telephone call, the volunteer can be located.
3. While volunteering at school for a specific purpose, individuals are covered by school board insurance **provided** they are an approved volunteer and have signed in.
4. In some cases verified volunteer service can be used as work experience for future employment.
5. Each school is recognized for its number of **registered** volunteer hours. The Florida Department of Education presents the Golden School Award to a school with twice as many hours of volunteer hours as students enrolled.

VOLUNTEERS AND FIELD TRIPS

Volunteers provide a valuable service by helping to supervise students on educational and recreational field trips. The following guidelines, when followed, help to assure that students have a safe and productive experience. Teachers are asked to review these guidelines with chaperones prior to each field trip. Field trips include band excursions and athletic team travel as well as trips planned for a specific educational purpose during the school day.

5. The teacher should provide a list of students for whom the chaperone is responsible on the trip.
6. Chaperones must ride on the transportation with the students to and from the destination, or as prearranged with the school.
7. Chaperones may not bring other children or adults with them.
8. Chaperones must maintain contact with their assigned group of students at all times.
 - a. Students are not allowed to participate in anything that violates school policy while on a field trip.
 - b. If a chaperone has difficulty with a student, the teacher should be contacted immediately.
9. Chaperones may not administer medication of any type. This includes Tylenol or any other over the counter medication.
10. Tobacco use is not permitted in the presence of students.
11. Chaperones are expected to model appropriate language to students. This means that cursing is not permitted.
12. A chaperone may not drive a school vehicle unless he/she has been previously cleared by Pat Jones, Coordinator of Transportation and have been fingerprinted with Level II clearance. At no time should a chaperone transport a student in a personal car.

*See below.

13. No student from your group should be allowed to go off with another adult or group.
 - a. If a parent who is not a chaperone is on the trip, they may not be given charge of any student. They may walk with the group of which their child is a part.
 - b. Any questions must be referred to the teacher/administrator.
 - c. Students may not be released to parents without prior administrative approval.
14. Please see overnight chaperone for information on additional requirements_

School trips would be impossible without the support of volunteers to chaperone our students. We appreciate the commitment of time and energy on the part of our chaperones. Our goal is to provide educational experiences away from school while maintaining a safe environment for our students.

***In addition, chaperones who are asked to drive a district vehicle must be aware of the following:**

1. Any chaperone who is asked to escort students in a district vehicle must have his/her driver's license checked by the Coordinator of Transportation, Pat Jones, **and PRIOR** to the trip as well as have Level II clearance. It is the driver's responsibility to provide a copy of his/her current driver's license to Mrs. Jones. Her contact information is: patricia.jones@wcsb.us; 926-7550.
2. No students are to be escorted during school functions in a personal car.
3. Chaperones must complete and submit a Volunteer Registration Form **PRIOR** to the trip. The service of chaperones who fail to do this may be refused.

KEYS TO SUCCESS FOR VOLUNTEERS

Volunteers assist the staff in the school to provide an enriched educational program for the students. The volunteer's contribution is a vital one and becomes an important part of the total instructional effort. Teachers and students come to depend upon you. The successful volunteer takes his/her responsibilities as a member of the educational team seriously.

1. Be prompt, dependable, and regular in attendance; follow the school's policy for notification in case of absence.
2. Familiarize yourself with school and classroom policies and procedures.
3. Remember that you are acting as a role model for children in language, dress, and behavior.
4. Respect the confidential nature of school records and relationships between staff members and students.
5. Recognize that the volunteer's relationship with school staff members is one that requires mutual respect and confidence.
6. Discuss any questions or problems with the staff members who are directly concerned or with the volunteer coordinator.
7. Support and supplement the instructional program of the classroom teacher; the volunteer's role is assistance, not replacement.
8. Always enter the building by way of the school office where you will sign in. When you leave, be sure to sign out and record your hours in the school office.
9. If a student seems ill, contact the teacher immediately. Do **NOT** give first aid or medication to a student.
10. Be aware of the allergies of others. Some students and/or teachers are sensitive to strong scents. Be aware that a little perfume/aftershave goes a long way.
11. Inquire about the correct procedures for all drills done at the school.
12. Inquire as to the parking area for volunteers.
13. There are telephones in the main office and in many classrooms. Please ask for permission before using a telephone. In addition, it is important to silence any cell phone that could disrupt instruction in the classroom
14. Discipline should always be left to the teacher.
15. If you volunteer at Wakulla Institute or Wakulla Education Center and you wish to purchase a school lunch, please inform us early in the morning, so the correct number of adult lunches will be prepared.
16. All Wakulla County School Board Schools are designated tobacco free zones.
