- Committee Chairs Updates/Feedback:
 - ELA (Reading/Writing) – Staci Welch; teachers would like to print teachers pay teacher bundles that align with standards for the entire grade level to use, current ELA proficiency for 3rd grade is 63%, 4th grade 66%, teachers are curious about the new standards and progress monitoring moving forward, Mrs. Crawford would like to use SIP money for the TpT bundles and addressed information about next years progress monitoring continuing with STAR but also using a new Cambium Assessment tool mandated by the state.
 - Math – Brandi Panzarino; teachers were curious about our chosen math text being approved and resources for new standards, the elementary math text chosen was approved and manipulative kits are available through purchase, but separate pieces can be bought separately.
 - Science – Kelly Tomberlin; one grade level asked about resource that intergrade subjects, books in the library were a suggestion.
 - Technology – Heather Hatfield; the quality of headphones in the labs are an issue and a request for maintenance to the laptop carts were a concern, as well as wifi and the strength of the different networks.
 - Parental Involvement – Amber Allen; parents back on campus for lunch and volunteer orientation have been a success.
- Data towards Goals: Review Star Math/Reading scores and Science DSBA data- proficiency goal for ELA is 70% current 67%, proficiency goal for Math is 70% current 66%, proficiency goal for Science DSBA is 60% current 69%.
- Current Parent Involvement Plan and Revisions for 2021-22 School Year; all title 1 events will be faced to face.

- Suggestions for next year; grade level expectation night, bingo for books or get cozy with a book, give a kid a cookie (both related to pajamas, books, milk and cookies), STEAM night and parent/teacher conference night.
