

CES KinderCub High-Frequency Words

We use an incentive program to motivate our students to learn their Kindergarten high-frequency words. We call these words "Rainbow Words." Each color of the rainbow contains a specific group of words. Throughout the school year your child will work to masters every word in a rainbow row FLUENTLY. This means your child can read the words readily every time they are seen in print IN NO SPECIFIC ORDER. We also learn the meaning of the words within the context of sentences, and how to encode (spell) the words. Note: Most of these words cannot be sounded out, but are read by sight. Please keep this in mind when working with your child to not get in a habit of trying to sound the words out.

Red Words	Orange Words	Yellow Words	Green Words	Blue Words	Purple Words
I	is	to	they	said	say
see	yes	was	little	her	says
the	are	wasn't	put	of	be
you	no	go	what	out	look
can	isn't	down	do	come	there
me	he	saw	like	some	over
and	she	my	have	name	want
we	get	where	home	make	water
on	can't	here			from
	under	by			for
