Principal's Den

Dear LES families,

Wow! We had a wonderful first month of school! Thank you for helping us have such a successful start to the school year. Students are adjusting to their school day schedules, and we are all getting back in the school groove!

We are excited to be welcoming back visitors for lunch. We have missed being able to share that experience with you and your little lion. As a reminder, no outside food (from restaurants) is permitted in the cafeteria. Families may only eat lunch with their children. Students' friends are not able to join visitors at the visitor's table.

Parent/Teacher conferences are coming up! This is a wonderful opportunity to connect with your teacher to discuss academic and behavior progress and/or concerns. The 2-week window for conferences are the weeks of October 3rd and October 17th. Be on the lookout for information from your child's teacher regarding scheduling.

Respectfully,

Mrs. Patton

Article of the Month

While the first days and weeks of school can be an exciting time for students, some students may feel anxious about the start of a new school year. The article linked below gives some great tips on how you can help your child if those feeling of anxiety start to show. If you need further support, please reach out to our school counselor, Ms. Wessels. She's happy to help you support your little lion. Her email is wesselskri@fssd.org.
