#	RC	Question	Response
1	1	Can you break down PD at DHS?	ADL Faculty Meetings
2	3	Can you break down PD at MMS?	CT Council for Social Studies CES Offerings for Differentiation in Teaching Faculty Meetings
3	5-10	The state is making tracking SRBI services optional, will we?	We continue to use RTI Studio, our tracking system for SRBI and other student data. This tool continues to be customized for our District and is a robust data warehouse.
4	5-10	Why aren't co-taught classes being expanded?	The current cohort of elementary students with IEP's recommend that SDI be implemented in the resource room, small group direct reading instruction, and/or push-in services to address IEP goals and objectives for students in grades K-4. Co-teaching is not recommended in grades K-4 at this time.
5	19	How do you qualify for a hardship waiver for new reading legislation?	The Superintendent of a district indicates the need for delayed implementation for financial reasons.
6	24	What is the caseload for special education teachers across schools and shared special education paraprofessionals?	December 13, 2022 BOE Special Education Overview and Update
7	24	Are occupational therapists, physical therapists and SLPs capable of meeting their caseloads or are sessions outstanding?	All OT, PT, SLP related service provider positions are filled. Missed sessions are made up as soon as possible. There continue to be two psychologists positions that remain vacant (ELP and Tokeneke).
8	24	Will the Literacy Interventionists funded by the ARP Esser III Funds for Acceleration, Academic Renewal and Student Enrichment be continued in the upcoming budget?	These were funded for FY22 through the ARP grant. They were discontinued in FY23 and not in the budget for FY24.
