

PARENT & STUDENT HANDBOOK

BENTON HIGH SCHOOL

2022-2023

Parent & Student Handbook

The Benton High School Parent & Student Handbook is not a standalone document. It should be considered in conjunction with the **St. Joseph School District Parent & Student Handbook** (view link). BHS expectations will supplement SJSD guidelines.

School Traditions:

Benton Song

Hail, Benton High School!
Truly to thee,
We pledge in word and deed
Our loyalty.
Raising our song of praise
Till the heavens ring;
Hail Benton High School
To thee we sing.
Thy spirit as a fire,
Burns in each breast;
With courage drawn from thee
We spur our quest;
Grand be our destiny,
For thee we pray,
Hail Benton High School
Our school always.

Pledge of Allegiance

I pledge allegiance to the flag
of the United States of America,
and to the republic for which it stands,
one nation under God,
indivisible, with liberty and justice for all.

Benton Pledge

And I further pledge myself to
Benton High School whose ideals
And traditions are worthy of all.

Benton High School & You

Visitors

In order to provide a safe environment for students and staff, entrances to Benton High School are locked during the school day. All visitors must enter through the secured doors on the South side of the building off the parking lot and check in through the main office.

Closed Campus

High school students may not leave the school building, campus, or other assigned areas during school hours. Violators of the closed campus rule will result in disciplinary action. The parking lots are off limits during school hours unless permission is obtained from an administrator.

ID Badges

Students should have their IDs in their possession at all times. If a student loses an ID, the student should request a replacement as soon as possible at the cost of \$5.00. Replacements may be purchased in the main office.

Hall Passes

A student must have a hall pass while classes are in session. Violations of this expectation could result in disciplinary action. Passes will not be granted to students during the first ten minutes of instruction or during the last ten minutes of class.

***A hall pass is not, under any circumstances, a permit to leave the school building/campus without permission from the main office.**

Cell Phones/Electronic Devices

Under board policy EHB -AP, the usage of personal technology including cell phones is restricted during the school day. Refer to the SJSD Parent & Student Handbook.

Please see additional information:

Students at Benton High School are allowed to use cell phones and musical technology before the 1st hour tardy bell rings (before school), at the end of the school day, in the 5 minute passing period between classes, and during the lunch period in the cafeteria.

- Students are not to use cell phones or music technology during the academic/seminar period and should be out of sight during the instructional time UNLESS directed by a teacher as a part of the instructional program. This includes the hallways, counseling center, library, etc.
- In the event a student is using (or the device is visible) a cell phone, music device, gaming device, or other electronic device during the instructional period without permission, the device will be confiscated and a parent/guardian will need to retrieve the device after school is out.
- Unauthorized use of such devices disrupts the instructional program and distracts from the learning environment.
- If a student is assigned ISS or sent to the office for disciplinary issues it is expected that the student turns off their phone and gives it to the adult supervisor.

The purpose of this policy is to facilitate the use of technology and to create a safe environment in which to use technology. The staff and administration feel it is more beneficial to instruct the use of cell phones and other wireless devices at Benton High School than to ban them. We are committed to wholeheartedly attempting to allow the students to follow these guidelines without consequence. We cannot, however, allow inappropriate use of these devices to disrupt the learning environment, and we feel that learning

the rules for using wireless devices is more beneficial to a student as the transition into the work or college environment.

****Benton High School, the staff and the St. Joseph School District are not responsible for lost or stolen cell phones.**

Phone Calls

Only messages from a parent/guardian will be accepted and given to students. Parents are encouraged to limit phone messages for students to family emergencies. Parents are asked to refrain from calling or texting students during school hours.

Student Responsibilities

Please Monitor:

- Grades
- Attendance
- MSHSAA Eligibility
- Eligibility for school sponsored events
- Requirements for Hillyard Technical School opportunities
- Requirements for college admission, financial aid, and scholarships

Nutrition Services

Lunchroom Expectations

- Students should use the same 'Cardinal Way' expectations during lunch as expected everywhere. Students are responsible for the cleanliness of their table after finishing their meal and preparing to leave.
- Students must report to the lunchroom at their assigned time and remain there throughout their entire lunch period. Leaving campus during lunch violates the closed campus policy and will result in disciplinary action.

***Please do not have any fast food or carryout food brought in, ordered, or have delivered by anyone.**

PowerSchool

PowerSchool is a web-based student information system that allows educators, parents and students to share information. PowerSchool allows parents access to their student's grades and attendance anytime. To create an account or update your information on PowerSchool, email Benton's receptionist (amymears@sjsd.k12.mo.us or call Benton's main number at (816) 671-4030. Refer to the **SJSD Parent & Student Handbook** (page 16)).

Transportation and Parking

Bus Transportation - School Sponsored Trips

Transportation for participants in school sponsored trips and competitive activities shall be by bus or school vehicle. Students are representing the school and must travel by means provided. There must be a faculty representative in each bus or other authorized vehicle. (The same rules and regulations governing student behavior while at school apply to those riding school buses.)

Refer to the SJSD Parent & Student Handbook (page 22).

Student Parking Expectations

- **Back Lot Parking:** Students do NOT park in the center parking lot or along the building of the back lot. These areas are reserved for Staff and Visitors ONLY.
- Parking spaces next to the back wall are reserved for seniors.
- **Parking Lot** South of Harmon Street: Junior and Senior Lot
- **Open Parking:** Parkway and/or 4th Street

School Choice

All students are given a one-time choice upon entering high school in the St. Joseph School District to select which high school they would prefer to

attend. Students always reserve the right to return to their resident home school as a final school placement.

Section 2: Student Achievement

Academic Achievement

Please refer to the SJSD Parent & Student Handbook Section 3 for policies regarding grading scales, Latin honors recognition, academic screening and intervention, and graduation requirements. [Link](#)

Please refer to the Career Planning and Educational Guide for general information, post-secondary planning, and course descriptions.

Section 3: Attendance Procedures

Attendance Guidelines:

Please refer to the SJSD Parent & Student Handbook Section 2 for attendance policies and procedures. [Link](#)

- **Daily Absence Reporting**
- **Makeup Work**
- **Attendance and Credits**
- **Parent Communication**

Expectations to Earn Credit

A high school student shall be allowed no more than eight (8) absences per semester in any one class (this included partial absences). Any absence from a class (including partial absences) will count toward the eight absence maximum and will be noted on attendance updates. On the ninth (9) absence in any one class, the student will not earn credit for that class.

In addition:

- Parents should notify the school each day a student is absent. If the parent is unable to contact the office, the student should bring a

dated, written note signed by a parent/guardian giving the reason for the absence upon return to school.

- Students should arrive at school in sufficient time to turn in note to the attendance secretary and be on time to first period by 7:25 AM
- Official attendance accounting begins the first day of school.

Tardy Policy

- Any student absent from class more than ten minutes without the knowledge or consent of a parent/guardian or the school is truant. After ten minutes of class time has been missed, the student will be marked with an absence for that class period.
- Students are expected to be in their classroom by 7:25 AM. During the first period: Student-Choice/Parent-Choice(STC/PAC) is equivalent to an absence. If a student arrives to class between 7:25 and 7:35, they will be considered tardy; reporting between 7:36 and 8:15 will be counted as an absence for the first period.
- Consequences (7:25 to 7:35)
 - Six to ten tardies will result in a 30 minute after school detention
 - Eleven to fifteen tardies will result in a 1 hour detention
 - Sixteen & over will result in 1 day of ISS and a parent phone call
 - Subsequent tardies to school will result in further disciplinary action.
- Consequences (after 7:35)
 - Three to five tardies will result in a 30 minute after school detention
 - Six to ten tardies will result in a one hour after school detention
 - Eleven & over will result in 1 Day of ISS and a parent phone call

Tardies will be tracked collectively across all hours, in addition to 1st hour. A report will be run each day/week and students will be informed of consequences being assigned for additional tardies beyond the 1st hour.

Leave Permits/Partial Absences

It is preferred that parents send a note or notify the school when requesting a leave permit. Leave permits will be issued immediately upon receiving the written request (students should arrive at school in sufficient time to bring the note to the attendance secretary and still be in their first period class by 7:25 a.m.). Requests by phone will only be issued if verified that it is an actual parent/guardian request. Students who obtain leave permits for appointments (doctor, dentist, and other) should return to school immediately after the appointment is concluded. Students must have their permit signed by the respective doctor in order to be excused. Students who leave school without prior parental consent and without checking through the office will be considered truant.

Leave permits should be kept to a minimum. A permit to go off campus for lunch or other non-emergent situations may not be granted without a parent coming in to pick up their student. Students and parents should be aware that leave permits negatively affect a student's attendance, including A+ attendance requirements.

College Day Leave Request

Each year, seniors are allowed two college visits and juniors are allowed one college visit. These absences do count against a student's hours absent and overall attendance percentage; however, college visits are not calculated as it pertains to participating in activities with attendance-based pre-requisites or the eight (8) absence limit. The following conditions must be met:

1. Note from parent stating the day student will be absent. Please submit one day in advance of the planned college day.
2. Note will be acknowledged by school administration with a signature.
3. Students are responsible for all communication with teachers and assignments.
4. Proof of the college visit must be turned into the office upon return.

Attendance & Activities Eligibility

If a student misses class on the date of a contest, competition, or after school event without being excused by the principal, he/she shall be

considered ineligible to participate or attend on that date. The attendance and eligibility guidelines below can also be found in the SJSD Athletic Handbook.

1. All students who represent the school in activities must attend school for the full day of classes in order to participate.
2. Students must be in regular attendance for the full day of the activity scheduled unless the activity is in another city and it is necessary that the student is absent for travel and participation, or, if the activity is scheduled on a date when school is not in session.
3. A full day of attendance is defined as being in school prior to the end of the first class period of the day. If a student misses class without being excused by the principal, the student shall be considered ineligible on that date.
4. An absence will prevent the student from participating on the day of the absence and it will prevent the student from competing or participating until a full day of classes has been attended.

Additional Prerequisites for Activities and Eligibility

Students must have 95% or greater attendance to be eligible to: hold a position as a student body officer; run for homecoming/courtwarding King or Queen; receive the A+Scholarship.

Junior/Senior Prom

- All fees must be cleared prior to attending prom. The Junior/Senior Prom is probably the most anticipated weekend dance of the entire school year. The officers plan and work from the beginning of the school year to make the dance an enjoyable activity for all juniors and seniors.
- All attendees must be enrolled and in good standing at BHS, a high school alternative program or other accredited high school. Good standing refers to attendance, grades, and discipline. In addition, attendees must maintain good behavior throughout the school year; must not have been suspended out of school during the current school year.
- Dress is formal.

- Outside guests are to be registered and paid for (\$30 for outside date) in the main office prior to the event date; the deadline for outside guests will be announced prior to prom. Single students are welcome.

Students must have a 90% or greater attendance rate to be eligible to attend the junior/senior prom.

- All absences are calculated into attendance rate, so retain copies of documentation regarding prolonged illness.
- Tardy minutes count in attendance calculations, so don't be late!
- An appeals period will allow students to write a formal letter requesting permission to attend prom. Letters must include explanation for attendance falling below 90%, documentation, and other pertinent information. The appeals period will be announced prior to prom.

Specific details and information about dance times, themes, cost, etc. will be provided to students by the BHS Prom Committee and sponsors.

A+ Requirements

Benton is an A+ School. The A+ Schools Program asks all students to select a career path, plan course work for all four years of high school and progress toward a goal of additional training at the post-secondary level or a high-wage job. Financial incentives are offered to students who maintain at least a 95 percent cumulative attendance record, obtain a 2.5 grade point average, exhibit good citizenship, avoid unlawful use of drugs or alcohol, participate in a mentoring/tutoring program (50 hours minimum) and submit the required FAFSA Federal financial assistance forms. Beginning with the class of 2015 students must also score proficient on the Alg I or Alg II EOC or obtain an equivalent score on the ACT. For further information on requirements pertaining to A+, please contact the counseling center at 671-4030.

Section 4: Student Guidelines

General Student Behavior

Students are expected to demonstrate acceptable school behavior at all times. A violation of acceptable behavior will result in disciplinary action, which may include suspension. Students are urged to contact building administrators for prior clarification of acceptable behavior.

Please refer to the SJSJ Parent & Student Handbook Section 4 for student discipline policies and procedures. [Link](#)

When school expectations apply:

The list of specific rules is not intended to be all-inclusive. Students will be subject to disciplinary action any time their behavior is disruptive, illegal, or inconsiderate of others. Specific consequences will be assigned by the school administration. Expectations apply at all times while students are:

- on campus and/or in proximity to campus;
- on school-sponsored field trips;
- on school buses, at school bus stops, and while traveling to or from school or school bus stops;
- at school sponsored events and activities;
- at any other time and place that their conduct may affect the safety or well-being of other students or staff.

Expectations for Classroom Behavior:

The classroom is certainly one of the most critical areas of an educational institution. Our expectations will be aligned to support classrooms conducive to teaching and learning at a high level. Building-wide expectations have been developed for classrooms. Additional expectations and procedures could be added by individual classroom teachers. Please see building-wide positive behavior expectations below.

BE RESPECTFUL

SHOW KINDNESS IN

BE PREPARED FOR THE DAY**

THE CARDINAL WAY

THE CARDINAL WAY

Student Discipline:

At times, it will be necessary for teachers and/or administrators to assign consequences to students for behavior that is a violation of SJS code of conduct. Also, from time to time, if given reasonable suspicion, an administrator may need to search a student's belongings for possible inappropriate items. Lockers, computers, and other school issued equipment may be searched or confiscated at any time deemed necessary by administrators.

Detention

Students may be assigned detention by the administration or any member of the faculty. Detention is for students exhibiting undesirable patterns of attendance, tardiness, or conduct as well as other disciplinary problems.

Classroom detentions are to be served with the staff member assigning the detention. Failure to serve a classroom detention will result in additional consequences.

Students receiving office assigned detentions should report to the designated room at the time given for the day(s) assigned. Students are expected to serve detention **within one week** of the detention assignment. Failure to report at the proper time can result in additional detention time or suspension.

Dress Code Guidelines:

Proper School Dress

Student dress can have a significant effect on learning and behavior.

Please refer to the SJSD Parent & Student Handbook Section 2 for student information. [Link](#)

In addition, the following items are considered to be a distraction to the learning process and therefore are unacceptable for wearing in the secondary schools:

- Messages on body, clothing, jewelry, and personal belongings that relate to drugs or alcohol, gangs, sex, vulgarity, or that reflect adversely upon persons because of their race, sex, color, creed, national origin, or ancestry.
- Gang related apparel...including long trench coats, bandanas, hats, headgear, etc.

Building administrators reserve the right to request a change of clothing when such interferes with the learning environment, welfare or safety.

Annual Notifications:

Class change requests will be reviewed based on the following criteria:

- Requests for class change will be submitted to the counseling center.
- Both student and parent must sign the request.

- Once received, the administrative team will review the course change request and make a final determination to either grant or deny the request.
- Requests must be received before the established deadline dates.
- Students requesting a change from an elective that they put down as their choice will not be granted a class change.
- Students will receive notification of the decision.
- If granted, the student schedule will be changed with as little inconvenience as possible. Keep in mind that a class change could affect the rest of the student schedule, including moving out of different classes.

First semester deadline: Friday, August 26, 2022
Second semester deadline: Wednesday, January 9, 2023

Multiple considerations are made regarding course change requests. Students, their parents and guardians, should understand that not all course change requests will be granted. Any exception must go through the student's administrator. No student-initiated class changes will be dealt with during registration. The only students who will be allowed to make schedule adjustments will be those with *"See Counselor"* printed on their schedules.

Graduation Ceremony

Participation in graduation is optional. Every senior who plans to be in the ceremony must be present for all rehearsals and senior activities. If a student misses a rehearsal, the student may be removed from the marching list and will not take part in the ceremony. For the 2022-23 year, graduation will be held at the Civic Arena on May 21, 2023 at 1:00.
