

Ways to Give

Our incredible community of Agnes Irwin parents, faculty, staff, alumnae, grandparents, friends and volunteers help to carry out the School's vision with their financial support every year. Through their gifts, they work together to ensure that the highest quality educational experience is provided to our students. Below are the five ways you can help support The Agnes Irwin School.

1 The Agnes Irwin Fund: The Keystone Fundraiser

The Agnes Irwin School's Annual Fund

Impact: Supports the overall budget of the school, enabling Agnes Irwin to provide the highest quality experience to all girls.

The Agnes Irwin Fund helps provide enriching and empowering educational experiences beyond what tuition supports. A high level of participation creates a shared commitment for the school to succeed in its mission.

When an approved individual or business contributes to AIS through either program, they receive tax credits up to 90% of their total contribution to the school.
