At a minimum, the monitoring system shall address academic, financial, and organizational performance standards as outlined in the charter school agreement and required by the State Board of Education.<sup>1</sup> The Board shall utilize the results when making renewal, revocation, and intervention decisions.

The Board shall communicate with the charter schools in its portfolio as needed, including both the charter school leader and governing board, and provide timely notice of any material charter school agreement violations and performance deficiencies.

## **CHARTER SCHOOL REPORTING**

Charter schools shall provide the information required by the charter school agreement and state law to the Board. The Director of Schools shall develop a reporting calendar that defines and communicates the process, methods, and timing of gathering and reporting data to the Board.<sup>2</sup>

This reporting requirement shall begin in the year after the year in which the charter school begins operation.

Multiple charter schools overseen by a single governing board shall report their performance as separate, individual charter schools. Each charter school shall be independently accountable for its performance.
