

Houston County Board of Education

Monitoring: Review: Annually, in November	Descriptor Term: Parental Engagement	Descriptor Code: 4.5021	Issued Date: 07/08/13
		Rescinds:	Issued:

The principal of a school, working with the school staff, is responsible for enlisting the cooperation of the parents in helping to meet the educational needs of the students.¹

The principal shall develop an annual plan for parental engagement which shall include, but not be limited to: opportunities for volunteering; parent education; home support for the child's education; teacher-parent conferences; and parent participation in school decision-making.

This plan shall be submitted to the director of schools no later than the end of the first month of school.
