

# Amanda–Clearcreek Online Kindergarten Sign–Ups for 2023–2024

**Kindergarten Sign Ups:** Children who will be 5 years old by July 31st, 2023 are eligible to be enrolled in Kindergarten for the 2023–2024 school year. If you know of a family who has a child who meets this criteria, please pass the word to them.

Again, this year, we will be using the online application called “Final Forms” to enroll students in school. The first online Kindergarten Registration for the 2023–2024 school year will start and take place February 21, 2023. “Final Forms” for Kindergarten Only will open then and can be accessed at this site: **DO NOT GO TO THIS SITE BEFORE MARCH 15, 2023 for siblings. IT IS NOT OPEN FOR THE NEW SCHOOL YEAR UNTIL THEN!!!**

[amandaclearcreek-oh.finalforms.com](http://amandaclearcreek-oh.finalforms.com)

During the dates above staff will be available to assist and chromebooks will be set up for parents to complete the online portion of the registration. You may also complete the online portion the day of registration and bring in documents during the available times. “Final Forms” will NOT be open before registration dates. Most forms for enrollment will be included in the Final Forms registration. The office will be collecting and making copies of the required documents for your new kindergarten during these times. Please see below for the list of documents needed.

If this is your first time to enroll a Kindergarten student, you will need to create an account and password. If this is not your first child to enroll, you will need to sign in to your Final Forms account and just add a new student. Each of the forms on Final Forms must be completed and digitally signed. Once you have finished completing the forms, we will get an alert that a new Kindergarten Student has been registered.

The required State of Ohio Physical form will be available to print from our website or we can give one to you when you bring in your child’s required documents. This is a very important part of registration. **We will not be starting ANY kindergarten students without a current physical (within 1 year old).** Your child’s immunizations must also be up to date. If your child has not had a physical or if your child’s physical is nearing 1 year old, please make your child’s doctor appointment as soon as possible to keep from getting into a situation where your child may be excluded from school.

**AGAIN:** No kindergarten child will be admitted **without** a state required physical and up to date immunizations.

## Bring the following Required Documents for Registration to the school:

- \*Child’s Birth Certificate
- \*Physical (Within 1 year)
- \*Child’s Record of Immunizations
- \*Parent Proof of District Residency (Utility Bill...etc)

\*Custody Papers or Legal Guardianship Papers (If there are ANY issues with custody, we must have the most recent copy of these.)
