#	RC	Question	Response
1	1	What will class sections look like based on enrollment if PE/Health and Science FTE requests are approved?	See attached schedule PE & Health Science
2	22	How is equity ensured in the lottery system? Are students who have been selected in the lottery allowed to put their name back in for the next lottery draw?	Names are randomly selected and balanced for gender. Students can apply each year to be in the lottery. At the beginning of the year students are invited to apply for a slot in the robotics club through the lottery (grades 1 through 8) for all available sessions.
3	22	Hindley and Holmes have double the number of robotics participants to Ox Ridge and Tokeneke. What is driving this?	Hindley and Holmes have two clubs and Ox Ridge and Tokeneke have one club. This is due to the number of advisors available in those buildings.
