Project Proposal:

Reminder about last meeting and starting a project proposal.

Student and teacher relationships will be a focus of the project proposal.

What does the student senate want to do related to building student and teacher relationships?

Ideas for relationship building:

Student Senate hosting a teacher appreciation breakfast or coffee

muffins, coffee bar, and a survey of questions that staff could fill out and return

Teacher game night/advisory time

Questions for the survey:

What are hobbies?

Favorite thing outside of school?

Action:

Students completed project proposal for student-teacher relationships

Link information/biography to the website as well.

Next meeting students plan to get a timeline made and tackle project tasks.
