

Grade 12 Mandarin 2022-2023

Welcome to Grade 12 Mandarin. In this welcome letter, you will find all the information you will need for this course.

Teachers:

How can I contact my teachers?

Emails: tania.mori@isgenoa.it

Office: 106 B

What resources do I need?

Equipment Required: *Pencil, pen, ruler, sharpener, eraser, notebook, fully charged laptop*

Course Textbooks: Explorer set (2-3) IB DP Chinese B (Laureates Hall); Mandarin Ab Initio 1-2

What will I be studying?

During this school year we will visit three themes: human ingenuity, social organization, and sharing the planet. We will encounter and produce a wide range of text types and familiarize ourselves with internal and external examinations.

How will I be assessed?

Assessment: Students will be assessed in line with the ISG Assessment Policy. They will be assessed by using both formative and summative assessments. Formative assessments will take place during every lesson and summative assessments at the end of a unit. This could be in the form of a presentation, poster, essay, traditional exam or other method of assessment. Students will be assessed using the IB DP assessment rubrics and receive feedback within 2 weeks of submitting the assessment. Assessments will be announced at least one week in advance.

Independent work expectations: Students will receive 120 minutes of independent work each week. It will relate to the unit of study. It is an extremely important element of learning, so students should strive to complete it on time and to a high standard.
