ARTICLE 1 - PURPOSE**1.1 Parties**

This Agreement is entered into between the St. Louis Park Public Schools, Independent School District No. 283, St. Louis Park, Minnesota, and the Park Association of Teachers, pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended, to provide the terms and conditions of employment for teachers during the duration of this Agreement.

ARTICLE 2 - DEFINITIONS**2.1 School District**

For purposes of this Agreement, the term "School District" or "District" shall mean the St. Louis Park Public Schools, Independent School District No. 283, St. Louis Park, Minnesota, its School Board or designated representative(s) of the Board.

2.2 Association

For purposes of this Agreement, the term "Association" shall mean the Park Association of Teachers or its designated representative(s).

2.3 P.E.L.R.A.

For purposes of this Agreement, the term "P.E.L.R.A." shall mean the Public Employment Labor Relations Act of 1971, as amended.

2.4 Terms and Conditions of Employment

Terms and conditions of employment means the hours of employment, the compensation thereof, including fringe benefits except retirement contributions or benefits, and the employer's personnel policies affecting the working conditions of the employees. In the case of professional employees, the term does not mean educational policies of a District. The terms in both cases are subject to the provisions of Minn. Stat. § 179A.07 regarding the rights of public employers and the scope of negotiations.

2.5 Other Terms

Terms not defined in this Agreement shall have those meanings as defined by P.E.L.R.A.

ARTICLE 3 - RECOGNITION OF EXCLUSIVE REPRESENTATIVE**3.1 Recognition**

In accordance with P.E.L.R.A., the District recognizes the Park Association of Teachers as the exclusive representative of teachers employed by the District. The Association shall have those rights and duties as prescribed by P.E.L.R.A. and as described in the provisions of this Agreement.

3.2 Appropriate Unit

The Association shall represent all teachers of Independent District No. 283, St. Louis Park, Minnesota, who are required to be and are licensed by the State Board of Education, including those on leave of absence who are guaranteed a position upon their return, but excluding the following: supervisory employees, confidential employees, Superintendent, assistant superintendent, principals and assistant principals who devote more than 50% of their time to administrative or supervisory duties, essential employees, and such other employees excluded by law.

ARTICLE 4 - DISTRICT RIGHTS**4.1 Inherent Managerial Rights**

The parties recognize that the Board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of

the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel, and that all management rights and management functions not expressly delegated in this Agreement are reserved to the Board. Section 4.1 shall not be construed to limit the right of the Association to meet and confer with the District, pursuant to P.E.L.R.A., regarding policies and matters not included under terms and conditions of employment.

4.2 Management Responsibilities

The parties recognize the right and obligation of the Board to efficiently manage and conduct the operation of the District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the District.

4.3 Effect of Laws, Rules and Regulations

The parties recognize that all teachers covered by this Agreement shall perform the teaching and reasonable teaching-related services prescribed by the District. The parties also recognize the right, obligation and duty of the Board and its duly designated officials to promulgate reasonable rules, regulations, directives and orders from time to time as deemed necessary insofar as such reasonable rules, regulations, directives and orders are not inconsistent with the terms of this Agreement. The parties further recognize that the District, all teachers covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State of Minnesota, federal laws, rules and regulations of the Minnesota Department of Education, and valid rules, regulations and orders of state and federal governmental agencies. Any provisions of this Agreement found to be in violation of any such laws, rules, regulations, directives and orders shall be null and void and without force and effect.

ARTICLE 5 - TEACHER AND ASSOCIATION RIGHTS

5.1 Right to Views

Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any teacher or their representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative.

5.2 Right to Join

Teachers shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations.

5.3 Request for Dues Deduction

Teachers shall have the right to request and be allowed dues check off for the exclusive representative of the teacher. Upon receipt of a properly executed authorization of the teacher involved (examples of which include paper authorization, electronic authorization or audio-recorded phone authorization), the District will deduct from the teacher's paycheck the dues that the teacher has agreed to pay to the exclusive representative during the period provided in said authorization. The Union will notify the School District of the dues to be deducted from each teacher's paycheck and the correct institution to remit the dues payments. Deductions will be made each pay-period and transmitted to the designated exclusive representative. The District shall furnish to the exclusive representative (Park Association of Teacher's Treasurer) monthly an alphabetized list of teachers from whom such deductions have been made. The District agrees to honor and implement all the terms of the dues-checkoff authorizations submitted by the Union and agreed to by the teachers. The School District shall adhere to the specific provisions in each dues check-off authorization regarding the duration, renewal, procedure for revocation, amount of dues deducted, and all other provisions agreed to by the teacher as stated in the authorization, irrespective of the teacher's membership in the Union. The Union agrees that the District's only obligation is to deduct and remit the dues indicated by the Union to be deducted from each teacher's pay. The Union agrees to save the District harmless from any actions growing out of these deductions and assumes full responsibility for the disposition of funds so deducted once they have been remitted by the District.

5.4 Personnel Files

All evaluations and files relating to each individual teacher shall be available during regular school business hours to said teacher upon reasonable notice. The teacher shall have the right to reproduce any of the contents of the files at the teacher's expense and to submit for inclusion in the file written information in response to any material contained therein. The District may destroy such files as provided by law.

5.5 School Buildings and Facilities

The Park Association of Teachers (PAT) shall have the right in accordance with established regulations to reasonable use of school buildings and facilities provided such use shall not interfere with normal school activities or functions. The District reserves the right to assess charges for additional custodial expense or for other additional operational expense beyond normal maintenance costs resulting from such use.

5.6 Information

The parties agree that the Association shall have access, upon reasonable notice, to appropriate and available information, not deemed confidential, necessary for the Association to exercise its responsibilities as exclusive representative.

5.7 Direct Deposit

The District shall allow direct deposits to eligible banking institutions of the teacher's choice that accept standard ACH deductions.

5.8 Private and Personal Life

The private and personal life of a teacher is not within the appropriate concern of the District provided such private and personal life does not adversely affect the teacher's performance or ability to perform.

5.9 Meet and Confer

The District shall meet and confer with the Association pursuant to P.E.L.R.A.

5.10 Union Business Leave

PAT will have access to up to 50 days of Union Business Leave in a school year. Members of the Union who are authorized by the PAT President shall be granted paid leave to conduct union business up to the 50-day limit. Union Leave days for contract negotiations and/or mediation sessions jointly scheduled by the District and PAT will not be deducted from the 50-day total. The Union shall reimburse the District for the cost of a substitute teacher for each day of Union Business Leave used, if a substitute is requested and works that day. The Union agrees to notify the teacher's immediate supervisor and District Administration by email at least three days prior to the use of any Union Business Leave. The District will submit an invoice to the Union for the cost of the substitute teachers.

ARTICLE 6 - THE SCHOOL YEAR**6.1 Teacher Duty Days**

Pursuant to M.S. §120A.40, the Board shall, prior to April 1 of each school year, establish the school calendar for the coming year, and the teacher shall perform services on those days as determined by the Board, including those legal holidays on which the Board is authorized to conduct school. The length of the school year shall consist of 185 duty days for returning teachers. Not more than 178 of such duty days shall be student days.

The District may add three (3) duty days for newly employed teachers.

If the District adds two days for second-year probationary teachers, the first two days will be paid at \$150/day. If the District schedules a third day for second-year probationary teachers or any of the three additional staff development days for third-year probationary teachers, will be paid at the Extended Employment rate of pay as provided in Schedule C-1, for such hours required by the District.

6.2 Modifications in Calendar, Length of School Days

In the event of energy shortage, severe weather, or other catastrophe, the District reserves the right to modify the school calendar, and if school is closed on a normal duty day(s), the teacher shall perform duties on such other day(s) in lieu thereof as the Board or its designated representative shall determine, if any.

In the event of an order by authorized federal or state authority, the District may modify the duty day or duty week to place the District in compliance with such federal or state order, but with the understanding that the total number of hours shall not be increased, i.e., a four (4) day week with increased hours per day but the total weekly hours not more than the regular five (5) day week.

Meet and Confer: Prior to adjusting the calendar, duty day, or duty week in Section 6.2, the District shall afford the Association the opportunity to meet and confer on such matters.

ARTICLE 7 - THE SCHOOL DAY**7.1 Building Hours**

The specific hours at any individual building may vary according to the needs of the educational program of the District. The specific hours for each building shall be designated by the Superintendent. The regularly scheduled work day for teachers within their buildings shall be eight (8) hours per day with seven (7) hours and thirty (30) minutes of duty time and a 30 minute lunch specified in Art 7.3.

7.2 Additional Activities

In addition to the basic school day, teachers are obligated to reasonably participate in school activities beyond the basic building hours as is required by the District.

7.3 Duty Free Lunch

Except in cases of emergency, teachers shall have a thirty (30) minute duty free lunch period, unless otherwise agreed upon by the District and the Association.

7.4 Preparation Time and Regular Student Contact Assignment

Teachers shall be scheduled a maximum of 330 minutes (5-1/2 hours) of regular classroom student contact time and/or supervisory time within the teacher's basic day.

The remaining 120 minutes (2 hours) of the teacher's basic day when the teacher is not assigned regular student contact, shall be available for preparation time. During this preparation time, the teacher will normally be able to engage in individual preparation and planning. However, it is recognized that, as necessary and customary, and as assigned by the District, the teacher will be available for occasional events such as parent conferences, individual help for students, supervision of students, faculty, department or curriculum meetings, or other related tasks.

The District shall make reasonable effort to provide preparation time in usable blocks of time of at least twenty-five (25) minutes in length insofar as practicable.

The District shall make reasonable effort to schedule classes and preparation time in reasonable blocks to avoid gaps that extend the Building Hour time whenever possible and insofar as practicable based on the overall scheduling of course schedules.

ARTICLE 8 - BASIC COMPENSATION**8.1 Individual Contracts**

Individual contracts issued by the District shall be in the form as provided in Attachment D. Teachers shall receive individual contracts upon initial employment. When there is a formal change in level of FTE, teachers will also be issued a new letter specifying new FTE level and salary in their online employee portal. Temporary

overages and other temporary assignments that do not change the continuing contract rights will be made by letter of assignment from the Human Resource Department with the Extra Compensation/Assignment Form.

8.2 Rates of Pay

The salaries reflected in Schedule A, attached hereto, shall be a part of the Agreement for the 2021-22 school year and the salaries reflected in Schedule B, attached hereto, shall be a part of the Agreement for the 2022-23 school year. Teachers shall advance on the salary schedule one (1) step for the 2021-22 school year and one (1) step for the 2022-23 school year, subject to the right of the District to withhold salary increases for just cause or not having worked 100 day with SLP in the previous year. A salary increase shall not be withheld unless the teacher is notified of the deficiency in writing and given reasonable opportunity to correct such deficiency.

8.3 Status of Salary Schedule

The salary schedule shall not be construed to be a part of the teacher's continuing contract. In the event a successor Agreement is not entered into prior to the commencement of school in 2023, a teacher shall be compensated according to the past year's compensation until such time that a successor Agreement is executed between the District and the Association.

8.4 Initial Placement - Experience Credit

Newly employed teachers shall receive credit for each full year of licensed outside experience and placed on the salary schedule per years of teaching experience. For this Section 8.4, full years of licensed outside experience shall be defined as a licensed teacher serving for at least 150 days under contract. Effective July 1, 2017, the Human Resource Department may offer additional step placement for positions deemed "Hard to Fill" to make a competitive offer. PAT and the District will agree as part of Meet and Confer that process for determining "Hard to Fill" positions and the agreed upon step placement discretion. Effective July 1, 2021, the Human Resource Department may consider up to four (4) Professional Development credits at initial placement to "round a person up" to the next lane in an attempt to make a competitive offer for "Hard to Fill" positions. This would be consistent with language in 8.7 Professional Growth Credits of up to four (4) for a lane change and 12 max. The Human Resource Department will provide a report to PAT denoting placements for "Hard to Fill" positions that exceed the standard new hire step placement.

Experience credit referred to herein shall be limited to that experience gained during the past (15) fifteen years. This provision shall not be retroactive.

Teachers shall receive one year of experience credit for service in the St. Louis Park District each year of contracted service in which the teacher performs duties on at least 100 duty days.

8.5 Prior Approval

Credits to be considered for lane advancement must be approved by the responsible administrator in writing prior to taking the course. In the event of a course cancellation, an amended request for approval shall be made by the teacher as soon as possible. A form for such purpose shall be provided by the District. Where graduate credits are specified in Section 8.6, it is understood that while normally graduate credits will be required, the Superintendent or designee, in their sole discretion, may make an exception and approve undergraduate credits. PAT and the District will create a list of courses that have historically been approved and will not need to be submitted to Human Resources prior to taking the course. This list may be amended from time to time by the Human Resource Department through meet and confer with the Association.

8.6 Training Levels

For purposes of placement on the salary schedule, training levels are defined as follows:

DEGREE	TRAINING LEVEL FROM AN ACCREDITED COLLEGE OR UNIVERSITY
Bachelor's	At least a bachelor's degree
Bachelor's +10	At least 10 semester hours earned after the bachelor's degree, either graduate or undergraduate, which are in a field related to the teaching assignment
Bachelor's +20	At least 20 semester hours earned after the bachelor's degree, either graduate or undergraduate, which are in a field related to the teaching assignment
Bachelor's +30	At least 30 semester hours earned after the bachelor's degree, including no fewer than 10 graduate semester credits, which are in a field related to the teaching assignment
Bachelor's +40	At least 40 semester hours earned after the bachelor's degree, including no fewer than 20 graduate semester credits, which are in a field related to the teaching assignment
Master's	A master's degree in a field related to the teaching assignment
Master's +10	At least 10 semester hours of graduate credit earned after the master's degree which are in a field related to the teaching assignment
Master's +20	At least 20 semester hours of graduate credit earned after the master's degree which are in a field related to the teaching assignment
Master's +30	At least 30 semester hours of graduate credit earned after the master's degree which are in a field related to the teaching assignment
Master's +40	At least 40 semester hours of graduate credit earned after the master's degree which are in a field related to the teaching assignment
Specialist	A specialist degree in a field related to the teaching assignment
Doctorate	A doctorate degree in a field related to the teaching assignment

8.7 Professional Growth Credits

Teachers who complete an approved in-service course shall be eligible for credit on the salary schedule on the basis of one (1) semester hour for each fifteen (15) hours of class time.

Teachers also shall be granted salary schedule credit, on the basis of one (1) semester hour for each fifteen (15) hours of participation, for successful completion of approved courses sponsored by outside agencies which meet the following criteria:

- A. No academic credit is granted.
- B. The experience must be in a field related to the teaching assignment.
- C. Participation occurs outside the regular school day.
- D. The participant's expenses are not paid by the District.

Salary schedule credits, earned through any means described in this Section 8.7, shall be limited to four (4) semester hours toward each block of ten (10) semester hours required for a lane change. A maximum of twelve (12) professional growth credits shall be considered for application on the salary schedule.

8.8 Lane Changes

The training level of the teacher as of September 15 will be the basis of pay for that school year except eligible credits submitted by February 15 shall be counted in determining the basis of pay for the second semester. Applications for a salary adjustment due to a change in the training level of a teacher shall be made to the Human Resources Director by the submission of a transcript from an accredited college or university prior to September 15 for the first semester and prior to February 15 for the second semester adjustment. The application for lane change shall contain a verification as to whether the credits submitted are semester credits or quarter credits. If a transcript is not available by these dates, other satisfactory evidence of the completion of a course will be recognized pending the receipt of the official transcript. However, the salary adjustment shall not be made until the official transcript is received, at which time the salary adjustment shall be retroactive. Effective July 1, 2022, the number of lane changes per year beyond the MA lane will be limited to one lane change per year unless the multiple lane changes are connected to receiving a new Specialist or Doctoral Degree.

8.9 National Board Certification

Teachers who become certified by the National Board of Certification or hold a Certificate of Clinical Competence or other national or professional board certifications recognized by the District Human Resource Department will receive \$2,500 annual stipend. Non-recertification shall result in the loss of the annual stipend. It is the responsibility of the teacher to provide proper evidence that the teacher holds the certification. Certifications received by the Human Resource Department by September 15 will be eligible for the full stipend. Certifications received by the Human Resource Department by February 15 will be eligible for half of the full stipend. The Stipend will start to be paid after an official copy of the certification has been received and will be processed over the remaining pay periods.

8.10 Method of Payment

Teachers contracted for the regular basic duty year as described in Section 6.1 shall receive their salary in twenty-four (24) payments. Teachers contracted for more than the basic duty year described in, Section 6.1, shall also be paid in twenty-four (24) payments. The summer four checks over July and August each year will be based on the same salary schedule amounts as the previous September 15, through June 30th school year paychecks. New scheduled rates take effect on the first payroll of the new school year on September 15th.

Pay days shall be on the 15th and the last day of each month. In the event that a pay date falls on a weekend or legal holiday, the payday shall be the preceding day. The first payday shall be September 15 of each year. For those teachers on the nineteen (19) payment plan, the last payment shall be paid on the first pay period following the last duty day. The District may choose to move payroll to 26 payments and pay every other Friday. In the event the District plans to move pay dates, it will give the Union not less than six (6) months of notice and meet and confer on the plan for implementing the change.

Extra compensation associated with additional services which appear on the basic contract of the teacher shall be paid pursuant to this Section 8.10. Payment for additional services based on a letter of assignment shall be paid at the conclusion of the activity or may be set up by Human Resources to be paid with regular pay dates over the course of the activity. Compensation for summer employment shall be paid in three (3) installments, based on approved hours worked, to be submitted by the teacher in accordance with the District payroll calendar.

8.11 Deduction

In the event that a teacher employed for the regular duty year as described in Section 6.1, is absent without leave and a pay deduction is to be made for such absence, the amount of the deduction shall be the teacher's basic annual contract salary, divided by the number of duty days, for each day's absence. In the event that a teacher's duty year is different than the regular duty year described in Section 6.1, the divisor shall be adjusted accordingly. In the event that a teacher leaves the district with deductions owed for using more leave than earned or school debt (lunches etc.), these deductions will be taken from the final paycheck.

8.12 Long-Term Substitute Teachers

Substitute teachers employed to replace the same teacher for more than fifteen (15) consecutive school days shall be considered long-term substitutes. Long-term substitutes employed by the District will be paid at the BA Step 1 daily rate of pay. Substitute teachers are not eligible for District benefits, except as provided below. Long-term substitutes who have worked thirty (30) consecutive days to replace the same teacher will be eligible for union membership and dues deduction in Art 5.3. If the assignment for the same teacher extends more than ninety (90) school days, then the substitute teacher's status will change and the employee will receive a Temporary Contract and be retroactively paid at the regular contract rate for days worked in that assignment. The Long-term substitute will also be eligible for insurance benefits the first of the month following the 90th day. If the Human Resource Department knows that the assignment for the same teacher will be longer than 90 days, then the assignment will be set up with a Temporary Contract from the beginning and paid at the regular contract rate. If the Long-term substitute is subsequently hired by the District for the following fall of the next school year, that teacher shall be given experience credit for step placement as long as they worked 100 school days for the same teacher. The year will also be counted as the first year of probation if the long-term substitute worked 120 instructional days for the same teacher.

8.13 Part-Time Teachers

- A. Teacher: "Teacher" shall mean those members of the unit as defined by PELRA and this Agreement, except the provisions of this article shall not be applicable to any other bargaining unit member who is not a teacher as defined by M.S. 122A.40, Subd.1. or M.S. 122A.41 Subd.1(a).
- B. Qualified: "Qualified" shall mean a teacher who is licensed in the subject matter category and who is currently teaching or has successfully taught such subject matter category within the past ten (10) years in this District.
- C. Seniority: "Seniority" applies only to Tier 3 and Tier 4 qualified teachers and commences with the first day of continuous teaching service (contracted in a Tier 3 or Tier 4 license) in the District. Tier 1 and Tier 2 teachers will not have seniority for the purpose of this Article.

Teachers employed as District-wide TOSA, coordinators, and other similar positions will maintain seniority in the area of licensure held in their previous SLP teaching assignment.

Teachers employed directly into District-wide coordinator and other specialist roles will be considered for seniority purposes as part of the subject matter area most closely related to the teacher's current assignment and teacher licensure as determined by the District.

School Nurse, School Psychologists, Occupational Therapists, Physical Therapists, Speech Therapists, School Counselors, School Social Workers, Deans and other similar positions will maintain seniority within their position's group.

ABE/ECFE should have seniority based on Article 18.4 and not the provisions of this section.

13.3 Unrequested Leave of Absence (ULA)

- A. Terms: The Board may place on ULA such teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes. Such leave of absence shall continue for a period of up to three (3) years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if the teacher fails to file with the District Human Resource Director by March 1st of each year, a written statement requesting reinstatement. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed upon by the Union and the Board.
- B. Notice: The District will notify individual teachers and PAT President by district email of the intention to discontinue positions and recommend the teacher for unrequested leave of absence, before the actual action is presented to the Board. The District's notice to the individual teacher proposed for placement on unrequested leave of absence will include the following elements:
 - 1) state the applicable grounds for the proposed placement;
 - 2) provides notice to the teacher of their right to request a meeting with the District and PAT representative to review the proposed placement within 10 working days from the receipt of the notice, and;
 - 3) provides notice to the teacher that failure to request this meeting will be deemed acquiescence to the District's proposed placement action.

- C. Right for Hearing and Decision: If the teacher requests a hearing, teachers proposed for placement on unrequested leave of absence pursuant to school board action shall be entitled to a meeting with the Superintendent or designee and PAT Representatives to challenge the proposed action, review facts and ensure that the proposed actions are consistent with this ULA process. If the District and PAT agree that the process was correctly followed, then the District's decision will stand. If the District and PAT disagree on the proposed actions, then the District will secure an Administrative Law Judge for a hearing of the facts presented by PAT and the District and a determination of the appropriate action. The ALJ hearing will be within 10 days of the initial review meeting. The ALJ's determination on the matter presented will be final.
- D. Final Notice to Teachers: Final school board action to place a teacher on unrequested leave of absence must take place prior to July 1. Final school board action must not occur before notice to the teacher as required in 13.3.B and if needed final decision in 13.3.C above. Individual teachers will receive a letter of final notice of the School Board's action to place them on unrequested leave pursuant to this ULA process.
- E. Placement on ULA: Teachers shall be placed on ULA in inverse order of seniority in the field and subject matter employed with the following exceptions:
 - 1) No teacher shall be placed on ULA if any other qualified teacher employed in the same field and subject matter is on a "Teacher Improvement Plan" as provided for in the "Teacher Evaluation and Peer Review Process" required in M.S. 122A.40, Subd. 8. The teacher on the "Teacher Improvement Plan" would be considered least senior and be the teacher placed on ULA.
 - 2) Teachers who are qualified to teach advanced placement courses, concurrent enrollment courses, or other similar specialized courses and Teachers on Special Assignment may be held exempt from the ULA process outlined in this article at the sole discretion of the District administration.
 - 3) The District may retain a junior teacher as an exception to the seniority provisions of this article on the basis of programmatic needs if the operation of the seniority provisions would significantly impair the effectiveness of the educational program. In order to make an exception to the seniority provisions herein, the burden is on the District to demonstrate that the operation of the seniority provisions would have an adverse effect upon the educational program due to lack of particular or unique skills on the part of the senior teacher for a particular position requiring particular skills, qualifications and experience.
 - a. The exception shall not apply if the adversely affected teacher can demonstrate that the particular or unique skills required can be acquired by that teacher within the following school year. The exception allowed in this Article 13.6 also would not apply to extracurricular assignments in nonacademic areas.
 - b. The District shall notify the teacher affected, with a copy to the association, of any determination to make such exceptions to the seniority provisions of this article by February 15 of the year in which the proposed unrequested leave of absence action will occur. Upon appeal of such decision by any teacher who, as a result of such action, would be placed on unrequested leave of absence, and without said exception would not be so affected, the Superintendent shall meet with the appealing teacher within seven (7) calendar days to consider the appeal of such matter. At such meeting, the District shall present its evidence in support of the exception. The decision of the Superintendent shall be rendered in writing to the appealing teacher within ten (10) calendar days after the meeting.
 - c. If the appealing teacher is not satisfied with the decision of the Superintendent, the matter may be submitted immediately to arbitration, provided a request for arbitration is made within seven (7) calendar days after receipt of the Superintendent's decision. The parties agree that they will engage an arbitrator to rule on the District's determination within twenty (20) calendar days after selection of the arbitrator. The arbitration process shall be

consistent with the provisions of the arbitration clause of the grievance procedure, except the full cost of the arbitrator's fees and expenses, if any, shall be borne by the District.

- d. Notwithstanding the provisions of article/subdivision 13.3, if reducing a probationary teacher would prevent students from having access to effective teachers who are members of populations underrepresented among licensed teachers in the district or school, the District may retain the probationary teacher over any other probationary teacher. This exception will only be available to teachers holding Tier 3 or Tier 4 licenses, and will not be available to any teacher holding a Tier 2 or Tier 1 license.
- F. Affirmative Action Program: This section shall not apply if its application will result in any violation of the District's affirmative action program which shall include ethnicity, race, color, or sex; and any teacher employed in an affirmative action program may be retained in the same field or subject matter of a teacher with greater seniority if such retention is necessary to effectuate the purposes of such affirmative action program.
- G. Tie-Breaker: In the event a reduction in number of teachers creates a situation requiring that a choice be made among teachers who have equal seniority, the selection of the teacher(s) for purposes of reduction shall be at the discretion of the District based on criteria including performance, training, experience, skills in special assignments, special or advanced certifications obtained in the teacher's field and subject matter employed, and other relevant factors.
- H. Years of Service: Any teacher placed on such leave may engage in teaching or any other occupation during such period and may be eligible for re-employment insurance if otherwise eligible for such compensation under that law, and such leave will not result in a loss of credit for years of service in the District earned prior to the commencement of such leave.
- I. Benefits While on ULA: Teachers placed on unrequested leave of absence shall remain eligible for participation in the school district's group insurance programs at their own expense for the duration of their reinstatement period.
- J. Continuing Contract Rights and Service Credits While on ULA: The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service. A teacher's continuing contract must remain in full force and effect, except as modified by mutual consent of the board and the teacher. Any agreement to mutually modify continuing contract rights must be in writing and can only occur after the teacher is provided with an explanation of their rights under the continuing contract statute and an opportunity to consult with the exclusive representative. The School District agrees to provide notice to the exclusive representative of all mutual modifications of continuing contracts prior to the modifications being finalized.
- K. Annual Notification of Desire to Return: The teacher shall be required to notify the District Human Resource Director by March 1st of each year of their continued interest in being reinstated to a position for the following fall school year. Notification will be an emailed statement requesting reinstatement from the unrequested leave of absence.

13.4. Realignment

For purposes of placement on ULA or recall from ULA, nothing in this article, shall require the District to reassign a senior teacher to a different position for which that teacher is not qualified, as defined in 13.2 above, reassign a senior teacher to a different subject matter category to accommodate the seniority claims of a junior teacher, nor shall it require the District to assign a senior teacher to a substantially different grade level assignment to accommodate the seniority claims of a junior teacher.

13.5. Dropping of License

A teacher shall not be permitted to exercise seniority to displace another teacher in a different licensure area by dropping the license in the subject matter in which the teacher is currently assigned by the District in order to acquire a different assignment through the ULA process. If a teacher drops the license which qualified the teacher for the teacher's current assignment, the District may place the teacher on ULA, and the teacher shall have no bumping rights nor realignment rights in another licensure area.

13.6. Reinstatement

- A. Process: No new teacher shall be employed by the District while any qualified teacher is on ULA in the same field and subject matter. Teachers placed on ULA shall be reinstated to the positions from which they have been given leave or any other available positions in the District in the fields in which they are qualified as such positions become available. The order of reinstatement shall be in inverse order in which teachers were placed on ULA.
- B. Notices: When placed on ULA, a teacher must file their name, current address and email address, to which any notice of reinstatement or availability of position shall be emailed, by the District Human Resource Department. Proof of service by the person in the District sending such notice to the teacher at the last known email address shall be sufficient, and the teacher on ULA shall be responsible to provide for forwarding or updating of email and contact information. Failure of a notice to reach a teacher shall not be the responsibility of the District if any notice has been emailed as provided in this Article.
- C. Acceptance of Reemployment: If a position becomes available for a qualified teacher on ULA, the District shall send a certified letter to the teacher and email the notice to the PAT President and the teacher. The teacher shall have ten (10) days from the date of such email notice to accept the reemployment. Failure to accept, in writing (email reply shall be deemed sufficient), within such ten (10)-day period shall constitute a waiver on the part of the teacher to any further rights of employment or reinstatement, and that teacher shall forfeit any future reinstatement or employment rights. If the position is for a lesser FTE than the full reinstatement rights provide, the teacher will retain rights to recall to full position for the full period specified in 13.6.E.
- D. Substitute Assignments: If a teacher on the recall list is offered and accepts a substitute position, the teacher shall retain reinstatement rights to a teaching position for the period specified in 13.6.E.
- E. Reinstatement Rights: Reinstatement rights shall automatically cease three (3) years from the date ULA was commenced, and no further rights to reinstatement shall exist unless extended by written mutual consent of the Board and the qualified teacher.

13.7. Establishment of Seniority List

- A. Preparation: The Human Resource Director shall annually cause a seniority list (by name, date of employment, qualification, and subject matter or field) to be prepared from its records by February 1 of each year. The Human Resource Department will share the seniority list with the Union President and make it available for review by teachers.
- B. Request for Change: Any teacher whose name appears on the seniority list and who may disagree with the order of seniority on the list shall have ten (10) days from the date seniority list is shared with the PAT President and made available to teachers to supply written documentation, proof, and request for seniority change to the Human Resource Director or Superintendent.
- C. Final List: Within ten (10) days thereafter, the District shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the District deems warranted. A final seniority list shall thereupon be prepared by the District and shared with the Union. The final agreed upon seniority list shall become the official list and is binding on the District and any teacher.

13.8. Filing of Licenses

In any year in which a reduction of teaching positions is occurring and the Board is placing teachers on ULA, only those licenses active with the Professional Licensing and Standards Board (PELSB) or other proper teacher licensing agency as of February 1 that year shall be considered for purposes of determining lay-off within areas of licensure for the following school year. A license filed after February 1 shall be considered for purposes of recall but not for the current reduction.

13.9. Effect

This Article governs the seniority and layoff rights for teachers and does not also imply any continuing contract rights under M.S. 122A.40 that are not provided by that statute.

13.10. Resolution of Disputes

Any challenge by a teacher who is proposed for placement on ULA or recall therefrom shall be subject to the hearing and review procedures as provided in 13.3.C of this ULA process and, therefore, shall not be subject to the grievance procedure.

ARTICLE 14 - DEFERRED COMPENSATION**14. Deferred Compensation Matching Program**

All eligible teachers as defined in Section 14.1, after completing four years and beginning in their 5th year of teaching in the St. Louis Park Public District will be eligible to participate in the matching program beginning in the 2003-2004 school year. The District will match the amount the teacher is contributing up to the amounts defined in Section 14.D. Teachers hired on or after July 1, 1998 will not be eligible to participate in the District's former severance program (Appendix).
- B. Eligible teachers must elect to participate in the deferred compensation program. Participation will continue at the same level until the Payroll Department is notified in writing of any change.
- C. The District will pay its matching share of FICA and TRA taxes as provided in Minnesota Deferred Compensation legislation until legislation changes.
- D. The District will match eligible teacher contributions teacher salary schedule earnings including any Career Increments based on the schedule below:

 - 3 or more years of service completed = up to 2.65%. Effective July 1, 2022, this contribution match will increase up to 3.0% of eligible teacher contributions.
- E. Teachers hired prior to July 1, 1998 and who elected by June 30, 2004 can continue to participate in the Deferred Compensation program on a voluntary basis, but will not be eligible in both the Deferred Compensation and the former Severance plan. Teachers who elected to participate in this program on or before June 30, 2004 may continue with this program and cannot change back to the District's severance matching plan.

ARTICLE 15 - TEACHER EVALUATION**15.1 Evaluation**

All formal evaluations of teachers shall be conducted openly and with full knowledge of the teacher concerned by an administrator or supervisor of the District. It is understood that formal evaluations of teachers shall not be performed by a member of the appropriate unit.

15.2 Procedure

All formal evaluations of teachers shall be in writing. Two (2) paper copies of the written evaluation or access online shall be submitted to the teacher at the time of personal conference or within five (5) working days thereafter, one (1) to be signed and returned to the administration, the other to be retained by the teacher. In the event of an online process, the teacher would sign online and may print a copy or access later online. In the event that the teacher feels the evaluation was incomplete or unjust, they may put their objections in writing and have them attached to the evaluation report to be placed in their personnel file. All evaluations shall be based upon valid criteria.

ARTICLE 16 - CORRECTIVE ACTION**16.1 Corrective Action**

The District recognizes the concept of progressive discipline. The purpose of the taking corrective action through progressive steps of coaching and discipline is to inform the employee of the correct way to perform the job and of any consequences for not making needed changes. The corrective action process consists of informal and formal steps consisting informal coaching conversations and of formal actions of: 1) oral reprimand, 2) written reprimand, 3) suspension without pay, and 4) discharge. The teacher shall be allowed representation at any stage of formal discipline. A conference between the teacher and their supervisor shall be held prior to the imposition of written reprimand, suspension without pay or discharge. Normally the District will utilize the levels of progressive discipline, in order. However, in the case of more serious infractions, the District reserves the right to impose discipline, at any level, consistent with the seriousness of the infraction. Normally, a written warning and time to correct, when appropriate, will precede suspension without pay or discharge.

16.2 Grounds for Disciplinary Action

The imposition of an oral reprimand shall not be subject to the grievance procedure. A teacher may challenge the contents of any written materials pursuant to the provisions of Minn. Stat. §122A.40, Subd. 19. A teacher shall be suspended without pay only for just cause and such action shall be subject to the grievance procedure. A teacher who is the subject of a discharge shall be governed by Minn. Stat. §122A.40, and such action shall not be subject to the provisions of Article 16.

16.3 Opportunity to Meet

Suspension without pay shall be imposed only by the Superintendent. If a suspension without pay is to be considered pursuant to Section 16.2 hereof, the teacher shall be afforded an opportunity to meet with the Superintendent. The teacher may elect to have representation in attendance at any such meeting. In the absence of the Superintendent, another district office administrator may act as the Superintendent's designee for purposes of Section 16.3.

16.4 Subject to Arbitration

Suspension without pay shall take effect only after written notification from the Superintendent to the teacher stating the grounds for suspension without pay. The teacher shall have the right to invoke the grievance procedures set forth in this Agreement at the arbitration level, provided written notification requesting arbitration is sent to the Superintendent within five (5) working days after receipt of the written notice of suspension without pay. The arbitrator's authority shall include a review of whether the suspension without pay, and length thereof, was appropriate considering all circumstances surrounding the action.

16.5 Time of Suspension

Suspension without pay shall take effect upon receipt by the teacher of the written notice of suspension or shall take effect as otherwise indicated in the written notice. The suspension shall continue in effect for the time period provided in the written notice of suspension without pay. The maximum suspension without pay shall not exceed the length of one school year.

16.6 Suspension With Pay

The parties acknowledge that the District has the right to impose a suspension with pay as a disciplinary action under special circumstances. Such an action on the part of the District would be subject to the just cause standard as provided for suspensions without pay.

16.7 Application of Suspension Without Pay

Suspension without pay shall not apply to a teacher who is removed from duty pending investigation of allegations, which period shall be covered by a paid suspension and which shall not be subject to the grievance procedure.

ARTICLE 17 - GRIEVANCE PROCEDURE**17.1 Purpose and Procedures**

Good morale is maintained, whenever problems arise, by the sincere efforts of all persons concerned working toward constructive solutions in an atmosphere of courtesy, cooperation and good faith. The parties acknowledge that it is desirable for a staff member and their principal or other immediate supervisor to informally resolve grievances. However, since all matters cannot be resolved satisfactorily in this manner, a formal process must be provided as an alternative. Thus, this formal grievance procedure has been developed as a means of securing, at the lowest possible administrative level, prompt and equitable solutions to those disputes not settled on an informal basis.

The parties agree that grievance proceedings shall be kept as informal and confidential as may be appropriate to any level of the procedure. Further, it is agreed that the investigation and processing of any grievance shall be conducted in a professional manner at such times as not to cause undue interruptions of established teaching schedules.

17.2 Representatives

The District may be represented during any step of this procedure by its designated representative. The teacher may be represented during any step of this procedure by the association. In the event a teacher does not desire representation by the Association or the Association does not process the grievance, the Association shall not assume any responsibility, including any cost, for the grievance. However, in such case, the individual grievant(s) shall be responsible for the appropriate share of expenses as provided in Section 17.6.5.

17.3 Grievance Definition

A "grievance" shall mean an allegation by a teacher or a group of teachers resulting from a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

17.4 Definitions and Interpretations

- A. The term "teacher," except where otherwise indicated, is considered to apply to all members of the appropriate unit.
- B. An "aggrieved teacher" or "grievant" is the teacher or teachers making the claim.
- C. The time limits provided in the grievance procedure shall be strictly observed but may be extended by written agreement of the parties concerned. In the event a grievance is filed after May 1 of any year, and strict adherence to the time limits may result in hardship to any party, the parties shall make reasonable efforts to process such grievance prior to the end of the school year.
- D. Reference to "days" regarding time periods in this procedure shall refer to working days. A working day is defined as all days excluding Saturdays, Sundays and holidays as defined by state law.

- E. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.
- F. The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service or District email timestamp within the time period.
- G. A form which must be used for filing of grievances shall be provided by the District (Attachment E). Such forms shall be readily accessible in all school buildings.
- H. The District shall provide the association with copies of all grievances, answers thereto and any other correspondence between the grievant and the District relating to the processing of a grievance.

17.5 Adjustment of Grievance, Time Limitation and Waiver

The parties shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the District in the following manner: If a teacher believes there has been a grievance, they shall discuss the matter with the responsible administrator in an attempt to arrive at a satisfactory solution. If the grievance is not resolved as a result of this meeting, the grievance shall be reduced to writing, setting forth the facts and the specific provisions of the Agreement allegedly violated, and the particular relief sought. An alleged grievance must be presented in writing as promptly as possible and within twenty (20) days of the occurrence of the act or within twenty (20) days after the teacher acquired or should have acquired, through the use of reasonable diligence, knowledge of the alleged violation. Failure to file a grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the periods hereafter provided shall also constitute a waiver of the grievance.

- A. Level I: The written grievance, signed by the teacher involved must be presented to the responsible administrator within the time limits provided in Section 17.5. The responsible administrator shall meet with the teacher within ten (10) days after receipt of the written grievance and give a written answer to the grievance within ten (10) days of the meeting. The teacher has ten (10) days in which to either accept the answer or appeal it in writing to the next level.
- B. Level II: If the grievance has not been resolved in Level I, it may then be processed to Level II by presenting the written grievance to the Superintendent. The Superintendent or designee shall meet within ten (10) days after receipt of the written appeal to discuss the problem with the teacher. Within ten (10) days of the meeting, the Superintendent or designee shall submit their written answer to the grievant. The teacher has ten (10) days in which to either accept the answer or appeal it in writing to the next level. Such appeal shall be served in the office of the Superintendent.
- C. Level III: If the grievance has not been resolved at Level II, the grievance may be presented to the Board for consideration. The Board reserves the right to review or not to review the grievance, but must make that decision within fifteen (15) days after receipt of the written appeal. In the event the Board chooses to review a grievance, the Board or a committee thereof shall within fifteen (15) days, meet to hear the grievance. After this meeting, the Board shall have a maximum of fifteen (15) days in which to answer the grievance in writing. If the matter is not resolved at this level, the teacher has fifteen (15) days in which to either accept the answer or appeal it to arbitration by filing such appeal in the office of the Superintendent. The Board reserves the right at its own instance to review any decision under Level I or Level II of this procedure, provided the Board serves notice within fifteen (15) days after the decision is issued. In the event the Board reviews a grievance under this subdivision, the Board reserves the right to affirm, reverse or modify such decision.
- D. Denial of Grievance: Failure by the District to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the teacher may appeal it to the next level. This shall not negate the obligation of the District to respond in writing at each level of this procedure.

- E. Step 3 Waiver: Provided both parties agree in writing, Section 17.5.C may be bypassed and the grievance taken directly to arbitration.

17.6 Arbitration

- A. Procedure: In the event that the parties are unable to resolve a grievance, it may be submitted to arbitration as defined herein.
- B. Selection of Arbitrator: Upon submission of a grievance to arbitration under the terms of this procedure, the parties shall, within five (5) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached after five (5) days, the Union may request a list of seven (7) qualified arbitrators from the Bureau of Mediation Services (BMS) within fifteen days from the request for arbitration. The District and the unit representative shall determine who is to strike the first name from the list by the toss of a coin. Each party will then alternately strike names until only one remains, who shall be the arbitrator who shall hear and decide the grievance. The unit representative and the District shall, within fifteen (15) days after getting the list from the BMS, meet to strike names or attempt to agree upon the selection of an arbitrator. The request shall ask that the appointment be made within ten (10) days after the receipt of said request. Failure to request an arbitrator from the Bureau of Mediation Services within the time periods provided herein shall constitute a waiver of the grievance.
- C. Hearing: The grievance shall be heard by a single arbitrator. The grievant may be represented by association representative(s) and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, present witnesses, and make oral or written arguments relating to the issues before the arbitrator.
- D. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in the P.E.L.R.A. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.
- E. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of the transcript shall pay for such copy.
- F. Restriction on Arbitrator: The arbitrator shall not have the power to add to, subtract from, or to modify the terms of the Agreement.

 2. When the total number of hours is increased through attrition or program expansion, such increased hours will be offered in seniority order to the most senior teacher whose current assignment as an ABE or ECFE teacher is less than their entitlement. The supervising administrator has the discretion to combine or split Schedule C stipends across multiple coaches. For example, a \$5,000 head coach and a \$4,000 assistant coach may be combined and split to create two \$4,500 co-coaching stipends for that sport or activity. Also, one \$4,000 assist coach stipend could be split for example at 50/50 to create a job share with two \$2,000 half time assistant coaches or 75/25 to create a \$3,000 and \$1,000 job share split. The supervising administrator is responsible for notifying Human Resources of the all assignments and any combinations or splits in the assignments and stipends showing the calculations for how each person is to be paid for their portion of the split assignment.

APPENDIX – Contract provisions that apply to some active teachers hired before specified dates**FORMER ARTICLE 8 - Section 9 Annuity Plan****A8.9 Tax-Sheltered Annuity (Applies to teachers hired prior to July 1, 1998)**

The District shall participate in a matching tax-sheltered annuity program for all regularly employed teachers who are compensated on the basic salary schedule and employed one-half (1/2) time or more and who became employed in the District prior to July 1, 1998.

The amount contributed by the District shall match the teacher's contribution, but such contribution shall not exceed one and one-half percent (1-1/2%) of the teacher's basic contract salary.

FORMER ARTICLE 14 - SEVERANCE PAY**A14.1 Eligibility (Applies to teachers hired prior to July 1, 1998) Also see the 2015 MOA on Teacher Severance Options for specific application.**

Subject to M.S. §465.72, teachers who have completed at least fifteen (15) years of experience credit within the District, and who are at least fifty-five (55) years of age, or teachers, regardless of age, who have completed at least twenty-five (25) years of teaching credit with the Minnesota State Teachers Retirement Association, at least fifteen (15) of which involve service in the St. Louis Park District and were hired prior to July 1, 1998, shall be eligible for severance benefits, pursuant to the provisions of Article 14, upon submission of a written resignation accepted by the Board. Severance benefits shall not be granted to any teacher who is discharged for cause by the District. To be eligible for the benefits of Article 14, a teacher must be regularly employed at least one-half (1/2) time and compensated on the basic salary schedule.

A14.2 Number of Days

- A. An eligible teacher, upon severance, shall elect to have their severance pay based on one of the two following options:
- Option A: The teacher shall receive an amount representing 100 days pay. In addition to the 100 days pay, the teacher shall receive the amount obtained by multiplying the teacher's daily rate of pay by one-half (1/2) times his/her number of unused sick leave days, but in any event, not to exceed the number of days in the basic duty year, minus 100.
- Or-
- Option B: The teacher shall receive an amount represented by multiplying the teacher's daily rate of pay times the number of accumulated unused leave days, such number of unused leave days not to exceed the number of days in the basic duty year.
- B. In order to be eligible to receive severance benefits, the teacher must submit a letter indicating a choice of Option A or Option B. The letter must be submitted to the Human Resources Director prior to reaching age 55 or 15 full years of service, whichever occurs first. This election shall be irrevocable and will be paid according to the terms of Article 14. If a teacher fails to exercise a choice of options as provided in Subdivision 1 hereof within the time limits as provided, the teacher shall be deemed to have selected Option B.

A14.3 Daily Rate of Pay

In applying these provisions, a teacher's daily rate of pay shall be the daily rate at the time of severance, as provided in the basic salary schedule for the regular school year, and shall not include any additional compensation for extracurricular activities, extended employment or other extra compensation.

A14.4 Payment

The District shall provide payment equal to the value of the employee's severance pay directly into the employee's 403b custodial account or other tax-sheltered provision of the Internal Revenue Code, and employees will no longer receive any direct payment from the District for severance pay as provided in Article 14 of the collective bargaining agreement for any employee eligible for tax-sheltering of such funds pursuant to Minn. Stat. § 356.24 and the Internal Revenue Code.

The District's annual contribution into the employee's 403b custodial account or other tax-sheltered provision pursuant to Minn. Stat. § 356.24 and provisions of the Internal Revenue Code shall not exceed the annual IRS contribution limit for such contributions. If any part of the severance pay due to the employee exceeds the IRS contribution limits for a given year, any such amount shall be paid to an account on behalf of the employee for a health care savings plan as agreed upon by the District and the exclusive Representative for such plans pursuant to the provisions of Minn. Stat. § 356.24, consistent with IRS limitations and consistent with the payment schedule as provided in Article 14 of the collective bargaining agreement.

A14.5 Limitations

Notwithstanding any other provisions of Article 14, the District's maximum obligation under Article 14 for members of the bargaining unit shall not exceed the sum of \$475,000.00 or 5 years from the teachers' date of retirement in either of the two fiscal years covered by the terms of this Agreement.

In the event that applications of eligible teachers submitted pursuant to Article 14 would otherwise constitute a liability to the District in excess of the limitations as contained in Section 14.5, the amount each teacher would be eligible to receive under the terms of Article 14 shall be reduced to a proportionate share of the District's annual liability. However, those teachers, if any, receiving a reduced proportionate share in one fiscal year will have priority to receive the reduced amount in the following fiscal year prior to any teachers resigning and eligible in the subsequent year.

Any proration of benefits required by Section 14.5 shall be made on the basis of eligible teacher applications as submitted by March 1 of the school year at the end of which severance is to take place.

All reference to dollar amounts as contained in Article 14 shall refer to accrued liability of the District and implementation of the dollar amount limitation shall not be affected by payment schedules.

A14.6 Application

Eligible teachers shall receive the benefits of Article 14 in the following order:

- A. Teachers who submit a written statement of intent to resign on or before February 1 and a written resignation on or before March 1 of the year in which severance is to take place shall be first in eligibility.
- B. In the event that a teacher resigns after March 1 and the resignation is caused by an emergency not reasonably foreseeable by the teacher, as determined by the District, such teacher shall be eligible for the benefits of Article 14 similarly to those in Section 14.6.1 if the limitation in Section 14.5.1 hereof has not been exceeded.
- C. Teachers who do not meet the February 1 deadline but do meet the March 1 resignation deadline shall be second in eligibility. They shall receive full benefits if the dollar limitation in Section 14.5.1 has not been exceeded by the teachers in Section 14.6.1 or 14.6.2.

- D. Teachers who do not meet the March 1 deadline but do resign before the 4th Monday in July shall be third in eligibility. They shall receive full benefits if the dollar limitation in Section 14.5.1 has not been exceeded by the teachers in Section 14.1, 14.2 or 14.3.
- E. Teachers who resign after the 4th Monday in July shall be eligible for the benefits of Article 14 along with teachers who resign and are eligible in the following school year.
- F. If a teacher becomes disabled and eligible for long-term disability after submitting a resignation pursuant to the March 1 date, but prior to the end of the school year, the teacher has the right to withdraw said resignation, up until the last duty day of the school year.

A14.7 Teachers hired on or after July 1, 1998 will not receive the 1 1/2 % TSA (Tax-Sheltered Annuity) matching contribution from the District, but will be eligible for the Deferred Compensation plan under Article 14.1 of the contract.

Note: The provisions of this Severance plan are modified and applied as specified in the 2015 MOA on Teacher Severance Options. This MOA resolves the questions on how the above severance language is to be applied to categories of teachers involved.

TEACHER AND STUDENT SAFETY 2021-2023

WHEREAS, the Park Association of Teachers and the St. Louis Park Public School District care deeply about students and staff safety and support the SLP Mission to create a caring diverse work and learning community and provide a safe and nurturing environment that energizes and enhances the spirit. We together collaboratively agree to the following tenants on safety:

Subdivision 1. Teachers will not be required to work in unsafe conditions or to perform tasks that endanger their health, safety or wellbeing or that of students.

Subdivision 2. In order to maintain a safe classroom environment, teachers will utilize the best practice information on classroom management and create lessons in order to keep students engaged. Teachers should use appropriate de-escalation methods such as CPI or other professional development. Teachers should document and keep required data on student behavior as appropriate for their job assignment and will be supported by District administration without any fear of keeping such information and using this information in a professionally appropriate manner.

Subdivision 3. In the event that a student has three behavior incidents within 30 calendar days where the student was restrained or caused injury to self or others reported to the health office, additional supports will be considered and implemented by the student's team (for example; IEP Team or Social Worker, student's teacher(s), Principal and other appropriate staff) as needed to keep both staff and students safe.

In the case where two additional behavioral incidents occur where a student was restrained or an incident was reported to the health office, a meeting will be held between district administration and school staff who are part of the student's team to help facilitate a conversation to consider options which may include an alternative placement for the student such as RSVP/PAUSE, District 287 for Special Education Students, outside consultant supports, or additional services or other options.

Subdivision 4. Teachers are expected to report physical injuries to the health office as part of their job without fear of any retaliation.

Subdivision 5. In accordance with MN state statute and St. Louis Park School Board policy, all teachers and other district staff who work with a student who has a known history of violent behavior shall receive written notice from the administration about that student's history of violent behavior prior to working with the student.

Subdivision 6. Teachers have an obligation to create a safe learning environment and work to de-escalate behaviors as trained. The District and PAT will work with the District PD Committee to determine appropriate staff training for various job assignments.

Subdivision 7. Any teacher that believes they do not have the physical means to separate a fight in process, staff will engage by other means (yelling, recording the fight on a cell phone, calling 911). Staff are not expected to intervene physically by breaking up a fight. A teacher may refuse to restrain or hold a student if he/she reasonably believes that doing so would be unsafe physically. The District will not retaliate for said refusal (reprimand, discipline or termination) even if the teacher was being directed to by an administrator and a reasonable person would have been fearful.

This MOU will run concurrent with the 2023-23 contract between PAT and the District.

ST. LOUIS PARK TEACHER PROFESSIONAL PAY SYSTEM AGREEMENT

This Agreement is entered into pursuant to Minn. Stat. § 122A.414 and the Public Employment Labor Relations Act (PELRA) of 1971, as amended, Minn. Stat. § 179A.01, et seq., by and between Independent School District No. 283, St. Louis Park, Minnesota (hereinafter “District”) as the public employer under the PELRA and the Park Association of Teachers (hereinafter “PAT”) as the exclusive representative of teachers employed by the District under the PELRA, for the purpose of fully implementing the St. Louis Park Alternative Teacher Professional Pay System (hereinafter “SLPATPPS”).

The terms of this Agreement are as follows:

ARTICLE I. AUTHORITY

Section 1. Laws: This Agreement has been negotiated pursuant to and in compliance with the provisions of Minn. Statutes 122A.414, 122A.4144 and 179A.01 et seq. The statutory authority specifically includes an exception to the PELRA in the form of an optional right to re-open negotiations regarding only the SLPATPPS.

Section 2. Informational Summary:

Subd. 1. What is ATPPS:

A bi-partisan legislative initiative to encourage reform in the professional pay system for teachers.

A system which is based on:

- Professional development
- Continuous improvement
- Collegial support
- Teacher leadership
- Opportunities for additional compensation
- Relevant, meaningful collegial evaluation system

A system which incorporates many aspects of our current program

- Data driven decision-making
- School improvement plans
- Team and individual teacher goal setting
- Professional development determined by site teams
- Site-based instructional leadership teams (BILTeam at secondary sites and PLT and BOLT at elementary sites)
- Emphasis on student growth
- Commitment to continuous improvement

Subd. 2. What ATPPS is not:

- It is not merit pay – eligibility for compensation increases is determined by teachers working in grade level, department or job alike teams and establishing meaningful goals.
- It is not subject to quotas (compensation increase is available to all members of our bargaining unit i.e. teachers, deans, nurses, school psychologists and social workers).
- It is not competitive.
- It is not a pay system which is based on all students reaching a specific level of performance.

ARTICLE II. SCOPE OF AGREEMENT

Section 1. Effect: This Agreement supersedes and replaces any salary or other provision of the PELRA Master Agreement that may currently be in effect between the District and PAT that is inconsistent with any provision of this Agreement, subject to the contingencies specified in this Article.

Section 2. Contingency:

Subd. 1. Effect of Contingencies: In the event that any contingency specified in this Section is not met, then this Agreement will have no force or effect and the terms and conditions of employment of the teachers employed by the District will be governed by the PELRA Master Agreement then in effect. Provided, however, that either party may re-open negotiations for the SLPATPPS agreement as permitted under law in an effort to cure any cause that has nullified this Agreement.

Subd. 2. MDE Approval: This Agreement was originally approved by the Minnesota Department of Education for the 2006-2007 school year and must be continually reapproved each year through acceptance of plan updates in Section 3 that become part of this agreement.

Subd. 3. Ratification: This Agreement is contingent upon by PAT and by the School Board.

Subd. 4. Continuing Revenue: This Agreement is contingent upon the initial and continuing receipt of revenue based upon at least two hundred and sixty dollars (\$260.00) per pupil as specified in M.S. 122A.415, Subd.1 (2017).

Section 3. Notice of Amendments (“Escape Clause”): In the event that the parties amend this Agreement, the Minnesota Department of Education must be apprised of the amendment(s). Teachers hired thereafter will be placed on the matrix as provided in Section 2, Subd.1d of this Article and the Teacher Master Contract.

Subd. 3. Any change in location of a teacher on the matrix for subsequent fiscal years will be determined in accordance with the provisions of this Agreement. The parties will periodically update and agree upon the matrix as necessary to reflect the schedule advancement by staff. Any dispute regarding location on the matrix will be resolved only through the Grievance provision of the Master Agreement.

Subd. 2. Advancement to Professional Status: A probationary teacher may be advanced by the District in an exercise of its management function from probationary to non-probationary status as provided by law. Thereafter, a teacher may advance on the SLPATPPS schedule then in effect as provided in this Agreement.

Subd. 3. Non-probationary Career I and Career II Teachers:

Section 2. Procedures:

Subd. 1. Disputes regarding the interpretation or application of the SLPATPPS must be submitted first to the ATPPS Coordinator, within ten (10) calendar days from the first date of the event giving rise to the dispute. The Coordinator must review the matter and hear from the teacher within twenty (20) calendar days and a decision issued within five (5) working days of the conclusion of the review.

Subd. 2. The failure to timely file a dispute under the SLPATPPS constitutes a waiver of the claim and acquiescence to the original event unless the parties mutually agree to waive the timelines requirements.

Subd. 3. APPENDIX 1 – ATPPS PROCESS AND PROCEDURES

Subd. 1. Teacher Responsibilities Summary:

- a. Be a part of a collaborative team grade level, department, or job alike. Otherwise known as CARE Teams.
- b. Write an annual goal following the format which has been developed to assist you. It is possible for a team to develop a goal which will be the same for all team members.
- c. Each collaborative CARE Team will be assigned a leader whenever possible.
- d. The Racial Equity Instructional Coaches (REIC), ATPPS Coordinator and the Principal will be responsible for leading their teachers through the SLPATPPS process.
- e. Each team member will be observed at least three times each year by a trained Racial Equity Instructional Coach or another trained PAT member. These observations are intended to be professional development experiences for both teachers.
- f. Racial Equity Instructional Coaches will make sure that all teachers have an acceptable CARE Team goal or researchable question for the care team cycles and that the observations are scheduled throughout the year and documented. Each observation includes a pre-observation meeting and a post observation meeting with the observer.
- g. The goal setting and observation templates, rubrics, and examples explain what teachers must do to be successful in the SLPATPPS system

Subd. 2. Process:

a. Step One:

1. Every teacher in St. Louis Park Schools will be part of a collaborative CARE team either by grade level, department or job alike.
2. Each CARE team is expected to meet regularly.
3. The group of instructional leaders at each site comprise the Building Instructional Leadership Team (BILT, PLT and BOLT).
4. The BILT, PLT, BOLT and CARE Teams are engaged in ongoing work to support the professional development of their fellow team members and to lead the work of their team in increasing student performance.

b. Step Two:

1. The Racial Equity Instructional Coaches and other observers will be trained evaluators at each site.
2. They will support the evaluation process through a “train the trainers” model where they are working with the Racial Equity Instructional Coaches and ATPPS Coordinator to check for inter-rater reliability.
3. They will also be training their fellow team members on the intricacies of the observation process an effort to increase understanding of this approach and positively impact instructional effectiveness throughout the District.

c. Step Three:

1. Teachers will develop their CARE Team goals in September of each year and discuss them with their team members and Racial Equity Instructional Coaches.
2. After this discussion the Racial Equity Instructional Coach and other trained observers will rate their colleague(s) using the goal setting rubrics to determine the success of the process.
3. Team discussions are critical in the establishment of the schedule of peer visitations and observations.
4. Once each team member/individual has a finalized plan rated as “proficient” on the goal setting rubric and the schedules have been determined, the Racial Equity Instructional Coach reviews the plan to make sure that resources are available to support the process, the plan goes forward.
5. 100% of ATPPS Stipend payments are based on school achievement gains, student growth and achievement, reflection of two separately implemented “best practices”, creation of CARE Team Plan with CARE Cycle Evidence, and teacher evaluations through the peer review process.

d. Step Four:

1. CARE Teams are expected to meet at least twice per month to discuss/plan including but limited to progress on their goals, staff development, inter-rater reliability issues, etc....
2. These meetings are facilitated by the CARE members with support, as needed, from Racial Equity Instructional Coaches or other members of the Building Instructional Leadership Team (BILT, PLT or BOLT) member and establish the basis for the evaluation process.
3. The BILT, PLT or BOLT) members will be a resource to guide the process throughout the year for their CARE team.
4. Meeting schedules and agendas are recorded.

e. Step Five:

1. Each teacher in a collaborative CARE team will be observed at least three (3) times during the school year.
2. The Racial Equity Instructional Coach will be responsible for leading/facilitating this process and assuring that observations are conducted, documented and the post-observation discussion/reflections are completed.
3. An observation rubric will be utilized for observer ratings
4. Teachers must be rated at “proficient” in each subdomain of the rubric by the end of the school year by the observer(s) in order to be eligible for compensation increases.

f. Step Six:

1. In May, each teacher completes the year-end reflection as part of their CARE Team Plan analysis and discusses it with their Racial Equity Instructional Coach and colleagues.
2. After this discussion, the Racial Equity Instructional Coach rates their colleague using the goal setting rubrics to determine the success of the process.
3. This process results in a determination of whether or not goals have been attained, guides future professional development activities, and acts as a summative review of the year’s SLPATPPS goal.
4. The observation evaluation payment will be a portion of the overall total amount that the teacher is eligible to receive.
5. The total ATPPS stipend payment will be paid as a lump sum and received by the last day of June.

Subd. 3. Professional Development Observations and Peer Review

Pre-Observation Conference

- a. The teacher to be observed describes the lesson/learning activity that will be happening
- b. The teacher to be observed delineates those aspects of lessons/learning activity which he/she would like the observer(s) to particularly notice
- c. The observers asks questions which help clarify the lessons/learning activity and to make sure the observer is aware of the teacher’s desired outcome
- d. The observation rubric applicable for that teacher assignment should be used as a starting point for the discussion and for the observation.

Peer Observation

- a. At the teacher pre-arranged time, the observer (or observers) comes to the teacher's classroom or work area.
- b. The lesson/learning activity takes place
- c. The observer notes those aspects of the lesson which were discussed in the pre-observation conference and makes notes that will be helpful in the post-observation conference
- d. The observer may also notice other aspects of the lesson which could be helpful to the teacher or that were helpful to the observer
- e. No discussion need be held at this time-at the discretion of the teacher/observer

Post-Observation Conference

- a. The teacher describes aspects of the lesson/learning activity as they happened in the classroom or workspace-things may have gone differently than expected, or as expected
- b. The observer describes what he/she saw and what was helpful to his/her own practice
- c. The professional discussion proceeds from this starting point and may take other directions
- d. This post-observation conference is the most important part of the peer-review process: both observer and observed will take away a rich experience
- e. The Peer Observation agreed upon rubric ratings and District work on culturally relevant pedagogy will form the basis of some of this conference.

Subd. 4. Calendar of Activities**Calendar**

A calendar of SLPATPPS activities will be determined collaboratively on an annual basis, between PAT and the District through the meet and confer process or separate group designated for ATPPS activities. This calendar and an overview of the process will be distributed or made available online to all teachers covered by this ATPPS Agreement.
