

WAYS YOU CAN HELP & *Participate*

MAKING THE AUCTION A SUCCESS

Come to the Auction

All Trinity families are invited to attend this special event. Yes, the auction is an important fundraiser for the school, but it is also a celebration of community and everything that is great about Trinity Prep. The auction is also an excellent way to introduce prospective families to Trinity!

Donate & Make Asks

The auction committee has been busy reaching out to local businesses and online vendors seeking donations. We need your help with personal donations of your time, talent, and gifts. If you are interested in soliciting donations from the community, please reach out to lisamartyny@gmail.com for more information.

Bid Online

Once an account is set up, anyone can bid! Even if you are not able to attend the event, you can still bid on items in the silent auction from the comfort of your home. Tell your friends, family, and neighbors.

Sponsorships

Support the auction with a personal or business sponsorship. There are 3 exciting levels, each with tickets to the event, the VIP Sponsor event, social media and event recognition, annual report recognition, and more. Sponsorships start at \$1500 (See pages 4-6 for more information). In addition to benefiting the school, this provides your business with great marketing exposure.

Volunteer

Are you creative? Want to meet new parents and help make this event a night to remember working behind the scenes organizing, assembling, setting things up, or collecting donations? We can work with your talents, your schedule, and your availability.
