WHY TAKE AP CLASSES?

EVERY STUDENT CAN BE AN AP STUDENT!

MONONA GROVE SCHOOL DISTRICT

What course options are there, why could AP classes be the right choice and what supports are there?

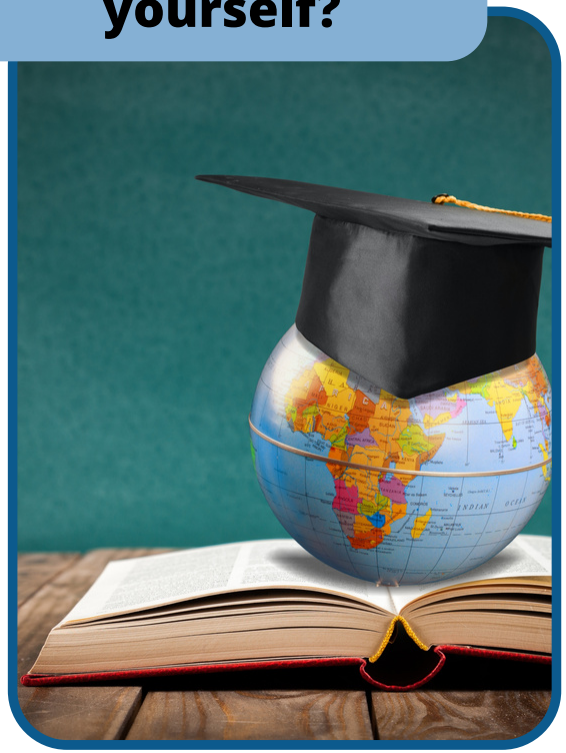

CONSIDER THIS...

You do NOT have to take the AP exam just because you take the class.
Also, you DO NOT need to be enrolled in an AP Class to take an AP Exam!

Having an AP level class on your transcript can look great when applying for colleges.

No matter what score you get on an exam you still learn valuable skills that can make you more successful!

What will you take to challenge yourself?

BENEFITS OF TAKING AP

EXPERIENCE COLLEGE LEVEL CHALLENGE

AP Classes are based upon college level courses. Build your confidence by trying these classes and learning skills that will help you!

DEVELOP COLLEGE AND CAREER SKILLS

Time management, critical thinking, study habits, organizational skills, and scholarly level writing are all skills you will practice that will help you in your future!

FIND YOUR PASSION!

AP Classes can often give you insights into what you may want to do in your future. They can even help you to get further on your path to a future career!

OUR SUPPORTS

High Quality Teachers

We have exceptional AP teachers at MGHS who are here to help if you need it! Email or talk with your teacher if you need help!

Study Groups

One of the best ways to be successful is to form study groups with peers. Not only do you get multiple minds on one thing but you also can be flexible on meeting times!

AP Classroom

Did you know that the AP Classroom resources are the most under utilized resource you have? There are videos there on challenging topics, practice resources, and even practice exams! Ask you teacher!

Resource Rooms

The resource rooms in core areas are a place you can go if you want some help! Consider stopping by and using this resource!
