

Human Services Program

The Human Services Program addresses challenges faced by individuals and families in the home, school, work place, and community. The program also provides the student opportunities to develop the abilities to think, communicate, manage, and lead in order to cope with issues of a changing, technological, diverse, and global society. Human Services ultimate mission is to prepare students for family life, career, and community living.

Food, Wellness, and Dietetics
Program courses offered:

Family and Consumer Science
