Family, Career and Community Leaders of America, is a co-curricular organization that aims to help students with family bonds, careers, and participation in our community. It is open to any student enrolled, but is usually compiled of Human Service students.

The Family and Consumer Sciences Program addresses challenges faced by individuals and families in the home, school, work place, and community. The program also provides the student opportunities to develop the abilities to think, communicate, manage, and lead in order to cope with issues of a changing, technological, diverse, and global society. Human Services ultimate mission is to prepare students for family life, career, and community living.

## Family, Career and Community Leaders of America

FCCLA is a national Career and Technical Student Organization that provides personal growth, leadership development, and career preparation opportunities for students in Family and Consumer Sciences education.

Our Mission is to promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.
