

# Lynn Elementary School Continuous Improvement Plan 2020-2023

## Lynn Elementary School

### Vision

Lynn Elementary School is on track "Full STEAM Ahead"

### Mission

To enrich and challenge students to excel in academics, social skills, and be aware of needs in our community.

### Beliefs

Children are our future! Authentic learning experiences in a safe learning environment is .??.....Student success and achievement are paramount. Collaboration with families and community stakeholders is essential to achieving this goal.

#### Full STEAM Ahead

##### Objectives

- To expand our STEAM initiative by providing experiential learning opportunities combining potential career pathways involving STEAM.

##### Critical Initiatives

- Partnership with Alabama Outdoor Classroom
- Sustain partnership with Alabama Math, Science, Technology Institute (AMSTI) who provides standard-based learning supplies, manipulatives, and lesson plans.
- Expand our robotics program and utilize the floor puzzle challenges from previous robotics competitions.

#### Impact of Instruction

##### Objectives

- Teachers will use the target skills and various resources to develop and implement lesson plans.
- ELA COS

##### Critical Initiatives

- Daily target skills (I can statement) will be posted on the board in kid-friendly terms.
- Implement lesson plans provided by joint co-applicant Alabama Wildlife Federation and implement practice sessions with Foster Grandparents
- Implement sensory pathways from Alabama Outdoor Classrooms

#### Reciprocal Relationships

##### Objectives

- Increase parent and family engagement and provide service learning opportunities.
- Update and maintain facilities for current and future use.

##### Critical Initiatives

- Workdays for the outdoor classroom
- Implement Foster grandparent program
- Student showcase days with special events i.e. grandparents day luncheon, national breakfast week, etc.
- Empty Bowl Fundraiser Event to support Winston County Arts Council and other local outreach ministries.

### Critical Initiatives

- Integrate Culinary Arts into the curriculum.
- To foster a desire in students to pursue career opportunities in STEAM related fields and develop an understanding of how academic courses connect to these careers.

### Critical Initiatives

- Increase technologically-based learning activities
- Local Reading Coach will conduct ELA Turnaround training sessions on the ELA COS. She will also support teachers in all areas pertaining to the ELA COS

### Critical Initiatives

- Funds will be used to update and maintain current facilities. This includes physical appearance and technical capabilities and infrastructure.

### Key Measures

- documented through pictures, video clips, and email
- Phase II Rain Garden/Frog Bog Habitat
- Phase II Blue Bird Box Trail Learning Station
- Art contest for signage for the outdoor classroom
- Greenhouse added to Outdoor Classroom.
- Lesson plans will indicate use of AMSTI resources
- Record of team participation and results
- Write grant(s) for a mobile kitchen
- Provide students with STEAM opportunities at LES

### Key Measures

- Instructional rounds student interviews
- Fall, Spring STAR Testing Data
- Use of sensory pathways for learning.
- Use chromebooks, interactive TVs and other tech.
- Periodic meetings with reading coach

### Key Measures

- Learning Station Class Adoption
- Signature sheet at Title I Parent Meetings
- Utilize volunteers for practicing skills
- Community participation at grandparents day lunch
- Family participation in class events and programs.
- Culminating activity: Make soup & serve community
- Installation of new bathroom equipment .
- Installation of new water fountains and sinks.
- New floors in both LES Buildings.
