

Larson 2023 Variety Show

Schoology Information: **Larson Variety Show 2023, code 6MTN-KP38-KTRMW**

Rehearsals: Putting on a production takes a lot of time and effort. It is not an easy task, but it sure is a lot of fun! I know you will enjoy the acting and silliness that comes with putting on a show. However, you must be dedicated. Therefore, if you are unable to attend the following rehearsals, the variety show may not be for you. Please consider being an active member of the variety show seriously and consider the time and dedication that you will need to put into such a commitment. Remember, you must attend all rehearsals. Please consider all your commitments before auditioning for the variety show.

Auditions: Each student wishing to have a role in the variety show must audition, even if you are an emcee or backstage. Students wishing to audition must submit their audition video in our Schoology Group, by Friday, January 27th. This video should be **no more than 3 minutes in length** since all acts need to be no more than 3 minutes. This allows us to maximize the number of students who can participate.

***It should be known that just because a student audition does not mean they will have a role in the variety show.**

The cast list will be posted in Schoology on Wednesday, February 1st at 3:00pm. If a student wishes to only participate in an emcee or backstage role such as introducing acts, lighting, sound, and props we welcome them to the variety show. However, we still must ask that you explain why you would make a good addition to the emcees/backstage crew by also creating a video explaining this information.

Emcees: We will need a maximum of 6 emcees. An emcee is the master of ceremony. In other words, the announcers for the different acts with witty anecdotes. If interested, you will work with the other emcees to write the script.

Rehearsal Schedule: Rehearsals are subject to change and with short notice. Please watch and listen for announcements!
