

To sign up for conferences, log into the Veracross parent portal then click on the green box.

Click on each drop-down menu to select a time (all times are in US Eastern time). Please DO NOT schedule conferences back to back. Please note the different icons for IN-PERSON vs. REMOTE conference times. Given the challenge of time zone differences, all Zoom conferences scheduled during these hours are for INTERNATIONAL families only.

**\*\*\*Please Note\*\*\*** Conferences may be rescheduled by the Academics Office if there are any conflicts. Finalized schedules will be available in the Veracross parent portal Friday, January 27th at 6 a.m. Printed schedules will be available in packets for on-campus conferences.

To remove or reschedule a time selection, click on the red X. To view the schedule, including times and locations, click on the printer icon.
