

# December

Hello AC Families,

Wow, it's already December and we are almost at the halfway point of the school year. Our 2nd nine weeks ends December 20th. The next two weeks our STAR window is open your child we be taking their Reading and Math Star test, we can't wait to see the growth they have made thus far. Please remind your child to take their time on this assessment so we get a great picture of what they know and we can use this data to continue to make new goals to show our growth.

Shout out to your children for working hard. As a building we averaged 5.1 lessons completed in Dreambox for the month of November. Keep up the great work!

The last couple of days have been very chilly. Please make sure your child has a coat and other warm clothes. Students will have recess. If the air temperature or wind chill temperature is twenty (20) degrees Fahrenheit or above and no moisture in the air, Students will go outside on most occasions. If you need anything this holiday season please reach out to Mrs. Cowdrey or Mr. Brosovich and we will do our best to help your family.
