Return times are approximate as some games last longer than others. Parents and guardians, we look forward to your support during games. If you cannot make it to away games, having a way to communicate with your athlete will provide the most accurate time for our return to school.

Board policy 6620 allows for the Grapeview School District to provide the transportation of students to-and-from a school sponsored activity. It is permissible for the legal parent or guardian to transport their **own** child from an event in their personal vehicle, if they first identify themselves to the teacher/coach of the activity **and** sign the release form which absolves the Grapeview School District of all responsibility. Students may **only** go home with their **own** parents or legal guardians and **may not** take "friends" home or go home with another family. Please contact our principal, Mr. Nick Schultek, if you wish to transport students for whom you are not the legal guardian.
