

Parkland High School Career Standards Benchmark Evidence

- Eight pieces of evidence between grades 9-11
- At least two pieces of evidence for the 9-11 grade band must demonstrate implementation of the student's individualized career plan.
- Each of the four Career Standards must be addressed at least once in the eight total pieces of evidence. [11th Grade Benchmark Resources](#)
- Not all students must have the same pieces of evidence.
- Student artifacts, where possible, should be individualized to student interests and learning styles, transition plans for students in special education programs, and activities for English learners, students in CTE programs, and students in online or alternative education placements.
