The Oshkosh Area School District allows parents of resident students to request attendance at a school other than their home school in the district. All requests will be handled administratively following district policy, including compliance with W.I.A.A. rules, when appropriate. Out-of-Attendance Area application forms with district guidelines are available on the school district website at the following link: <https://www.oshkosh.k12.wi.us/families/enrollment>

Parents requesting a K-12 out-of-attendance area school for their child must submit an application **by February 24, 2023**. The district will notify parents via e-mail by the end of April as to whether their request is approved or denied. Any requests received after the deadline may be held for review until after district-wide registration is completed in August 2023.

**Public School *Open Enrollment* to Other School Districts  
Applications due by 4:00 p.m. on April 28, 2023**

Wisconsin's inter-district public school open enrollment program allows parents to apply for their children to attend school districts other than the one in which they live.

Students in 4-year-old Kindergarten to Grade 12 may apply to participate in open enrollment. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

The open enrollment application period for the 2023-24 school year is from February 6-April 28, 2023. ***Late applications will not be accepted for any reason.***

Parents may apply in one of two ways:

- On-line (**recommended**) at <https://dpi.wi.gov/open-enrollment>. (Accessible as of February 6, 2023)
- Although on-line application is recommended, paper applications may be obtained from the Student Information Services Manager at 215 South Eagle Street and must be delivered (hand-delivery is recommended) to the nonresident school district.
