

DEXTER STUDENTS RAISE MONEY FOR DEXTER SENIOR CENTER

On Giving Tuesday (November 29, 2022), students at the Dexter Early Education Complex and Wylie Elementary School held a fundraiser to help support the Dexter Senior Center during their "Support Our Seniors" campaign. Together, these two buildings raised over \$1,100 for the Senior Center!

"It definitely pulled on my heartstrings," remarks Gordon Smith, the first Executive Director at the Dexter Senior Center. "When the interim team told me about how multiple schools, unprompted, contributed to our Giving Tuesday fundraiser - just, wow. This speaks highly of the community and the relationship between the schools and the senior center that we have to keep cultivating."

The Dexter Senior Center also shared that research shows combating ageism is most effective when children and older people spend meaningful time together, such as the concerts, gardening, reading, and other activities the center and our schools currently do! Dexter is a place where EVERYONE thrives!

Thank you to our DCS families for donating to this worthy cause!
