ROLL OVER CANCER MONTH

For many years, students at NN have participated in a service project the month of February to help raise money for St. Jude Children's Hospital. As a school event, there will be a skate night on February 16 from 5:00-9:00 p.m. at North Canton Skate and Entertainment Center. The cost is \$10 a person, including adults or others outside of our school or district who want to participate in roller skating, laser tag, rock wall, bumper cars and other activities. More information about the skate party will be coming out in the future. The school will also have four theme dress-up days for a \$1.00 donation for each day.

- **Monday, Feb. 13-** Hat Day to "Cover up Cancer"
- **Tuesday, Feb. 14-** Red Day to "Show Your Love to Someone (Valentine's Day)"
- **Wednesday, Feb. 15-** PJ Day to "Put Cancer to Sleep"
- **Thursday, Feb. 16-** Upstander/ Blue/White Day to "Celebrate Our Community Coming Together"

ALL money raised will go to St. Jude through the K105 (WQXK) radiothon. Over the last 15 years, Louisville City Schools has helped the radiothon by donating almost \$60,000 to this great organization. Thank you in advance for helping us teach students the importance of giving to those in need.

NORTH NIMISHILLEN ELEMENTARY FUNDRAISER

We will be starting our one and only school-wide fundraiser on Tuesday, January 31. Our families will be able to sell chocolate covered pretzel rods, as well as take orders for delicious Easter candy!

This year we are offering a special early-bird incentive! All students who turn in a pretzel rod permission slip on or before January 31 will receive a thank you prize! Permission slips will go home with students on Monday, January 23. Pretzel rods will go home with students starting on Feb 1!

You can also choose to create your own personal online fundraising store at: www.myFundraisingShop.com - Your School ID is DMLLOULOU

Simply follow the instructions to complete your registration. Once you are done, you can share your link with friends and family! The online store is now open, and we encourage early bird sales!

SCHOOL DELAYS AND CLOSINGS

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. **Delays and closings will almost always be announced by 6:30 a.m. If there is no announcement to cancel or delay school by 6:30 a.m., you may safely assume that school will be in session.**

Parents will be notified by the School Messenger Telephone Notification System in the event school is delayed or canceled. The "School Messenger" phone call and parent notification may take several minutes to reach your home if there are a number of area school delays or closings.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. **There will be no AM preschool when school is delayed for two hours**, and no breakfast will be served in any of the school cafeterias.

A **two-hour delay** simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will pickup students two hours later than the normal pickup times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.

OUTDOOR RECESS CONTINUES

The snow will soon begin to fall, and it is time to remember to send your child to school with a warm coat, hats, gloves, and boots when appropriate.

When the wind chill is around 20 degrees or higher at 11:00 a.m., our students will have outdoor recess.

All children are expected to go to recess, unless they have a medical reason that is preventing them from going outdoors.

Recess is an important time of the day for students to have a free play break from the work of school as well as a chance for fresh air.

When snow is on the ground students must wear boots to leave the blacktop area outside. Students may bring a change of shoes from home or may wear their gym shoes during the day.

CARE TEAM CORNER

We are excited to offer our next Parent Cafe' on *Parenting with Love and Boundaries*. Our Featured Speaker will be Dr. Tim King, PHD, PCC-S on January 30, 2023, from 6:00-7:00 p.m. at LMS. This is open to all District families! Dinner and childcare will be provided. Reserve your spot before this Wednesday, January 25 by registering here: tinyurl.com/LCSDJanPC

Dr. King is the founder of Family Care Counseling Center and Coaching for Living. He has hosted call-in radio shows and has appeared on local television programs. He has also been a guest lecturer at colleges and universities and is a consultant for numerous school districts in the area.
