# Fairfield Prep Esports Camp

For Boys & Girls Entering **6th, 7th** and **8th Grades**

The McLeod Innovation Center is delighted to announce its Esports Camp debut! This summer we will host a **Rocket League Esports Camp!** Rocket League is a soccer video game. Campers will drive rocket-powered cars that perform tricks, trigger explosions, and more! Players work in teams to advance the ball down the field, and score goals in their opponents' net. This game has an ESRB rating of E and is suitable for all ages.

Campers will improve their play and also learn important life skills such as teamwork, team cohesion, conflict resolution, and esports health and nutrition. Our experienced coach will lead players through in-game drills, fun activities, and competitions. Each camper will receive a Fairfield Prep Esports Camp t-shirt.

## **Campers need to bring every day:**
